29th Annual Conference
Challenges for Clinicians
December 4–6, 2015

The Drake Hotel
Chicago, Illinois

Conference Directors:
Jeffrey L. Apfelbaum, MD
Avery Tung, MD, FCCM

Join us for an Optional MOCA Training Session
Friday, December 3rd

This activity has been approved for
AMA PRA Category 1 Credit™

Register online at: cme.uchicago.edu
Conference Faculty

Guest Faculty

Sachin Kheterpal, MD
Associate Professor of Anesthesiology
University of Michigan
Ann Arbor, MI

Lisa Leffert, MD
Associate Professor
Vice Chair, Faculty Development
Chief, Division of Obstetric Anesthesia
Massachusetts General Hospital
Boston, MA

Jeffery S. Vender, MD FCCM, FCCP, MBA
Harris Family Foundation Chairman
Department of Anesthesia Critical Care Services Vice President
North Shore University Health System Clinical Professor
Anesthesia University of Chicago Pritzker School of Medicine

Sulpicio Soriano, MD
Professor of Anesthesia
BCH Endowed Chair in Pediatric Neuroanesthesia
Senior Associate in Perioperative Anesthesia
Children's Hospital Boston
Boston, MA

Asokar Buvanendran, MD
Professor of Anesthesia
Rush University Medical Center
Chicago, IL

Faculty Disclosure

It is the policy of The University of Chicago to ensure balance, independence, objectivity, and scientific rigor in all its individually sponsored or jointly sponsored educational activities. Individuals who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Mechanisms to ensure that presentations are free from commercial bias are in place. Faculty will also disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Full disclosure of this information will be published in the activity materials.

University of Chicago Faculty - Department of Anesthesia and Critical Care

Jennifer Banayan, MD
Assistant Professor

Wendy Binstock, MD
Associate Professor

Ellen Choi, MD
Assistant Professor

Richard Dutton, MD, MBA
Clinical Associate

Dalia Elmofty, MD
Assistant Professor

Rebecca Gerlach, MD
Assistant Professor

David Glick, MD, MBA
Professor
Medical Director, Post Anesthesia Care Unit

Ori Gottlieb, MD
Associate Professor

Mohammed Minhaj, MD, MBA
Associate Professor
Associate Chair of Junior Faculty Development & Business Affairs

Mark Nunnally, MD, FCCM
Professor

Michael O’Connor, MD, FCCM
Professor
Section Head, Critical Care Medicine

J. Devin Roberts, MD
Assistant Professor

Keith Ruskin, MD
Professor

Sajid Shahul, MD, MPH
Associate Professor

Michael Woo, MD
Assistant Professor

Conference Co-Chairs

Jeffrey L. Apfelbaum, MD
Professor & Chair of Anesthesia and Critical Care
Department of Anesthesia and Critical Care

Avery Tung, MD, FCCM
Professor and Quality Chief for Anesthesia
Director of Critical Care Services, Burn Unit
Department of Anesthesia and Critical Care
The evolving landscape of perioperative medicine has dramatically increased the scope and complexity of anesthesia care. New techniques, new drugs, new evidence, quality and safety concerns all play a role in today's practice environment. This conference will focus on areas of anesthetic care that require integrating these new aspects of medical care. Increasingly, we need to know not only whether techniques are effective, but also high quality, safe, evidence-based, and cost effective.

Learning Objectives
At the conclusion of this educational activity, participants will be able to:
• Identify the effect of revolutionary changes in health care on anesthesia practice;
• Use new techniques, drugs and monitors;
• Incorporate these new tools into practice in the changing environment.

Target Audience
The target audience includes Anesthesiologists, Certified Registered Nurse Anesthetists and other clinicians and health care professionals working with a variety of patients and practice settings.

Accreditation and Credit Designation
The University of Chicago Pritzker School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

General Sessions
The University of Chicago Pritzker School of Medicine designates this live activity for a maximum of 14 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

PBLDs
The University of Chicago Pritzker School of Medicine designates this live activity for a maximum of 6 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Ultrasound
The University of Chicago Pritzker School of Medicine designates this live activity for a maximum of 4 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses and other healthcare professionals will receive a Certificate of Participation. For information on the applicability and acceptance of certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by the ACCME, please consult your professional licensing board.

Educational Grants and Commercial Support
A complete listing of commercial support received will be provided in the conference materials.

Optional Afternoon Workshop: Friday, December 4th and Saturday, December 5th
Problem Based Learning Discussions (PBLD)
These one hour small-group, case-based, active learning sessions use specific case scenarios to address a wide selection of anesthesia topics. The format involves a faculty facilitator and up to 12 participants per session. Specific case information and selected readings are provided in advance to participants, who arrive at the session ready to participate actively. We have chosen six of our most popular teachers to serve as facilitators, each on a topic in their own specialty.

Price: $55.00 per session. Each session will be strictly limited to a maximum of 12 participants. Participants may register for multiple PBLD sessions. Each session is equal to 1 credit hour.

Friday, December 4th
• Session 1: Obstetric Anesthesia, Jennifer Banayan, MD
• Session 2: Troubleshooting Regional Anesthesia, Dalia Elmofty, MD
• Session 3: The Electronic Medical Record, Ori Gottlieb, MD

Saturday, December 5th
• Session 4: The Pediatric Patient, Wendy Binstock, MD
• Session 5: Difficult Airway Solutions, David Glick, MD, MBA
• Session 6: Cardiac Anesthesia, Rebecca Gerlach, MD

Ultrasound Workshop: Saturday, December 5th, 12:30 pm–4:30 pm
Once again, we are offering a Regional Anesthesia with Ultrasound Applications Workshop led by Micheal Woo, MD and DACC Faculty. This hands-on workshop is open to all registered participants for an additional fee of $275. This session is equal to 4 credit hours. *Lunch will be provided for all optional workshop participants.
Location and Accommodations

Come and Enjoy the Holiday Season in Chicago!

The conference sessions will be held at The Drake Hotel, one of Chicago’s finest hotels, located on Michigan Avenue, the “Magnificent Mile.” A block of rooms has been reserved at The Drake and we are pleased to offer our special discounted rate of $229 for single or double room occupancy.

To reserve your room at The Drake Hotel, please visit their website at:

https://resweb.passkey.com/Resweb.do?mode=welcome_gi_new&groupID=51584400

or you may call the hotel directly at 1-800-HILTONS indicating you are attending The University of Chicago Anesthesia Critical Care Conference.

Room reservations must be made by November 13, 2015 to guarantee the reduced rate. The hotel requires a first night’s deposit at the time of reservation, which is refundable up to 72 hours in advance of conference date. Check-in time is 3 pm and check-out time is 12 pm. In the event a check-out occurs prior to the reserved check-out date, the hotel will add an early check-out fee equal to one night room and tax. To avoid this fee, please advise the hotel at or before check-in of any change in planned length of stay.

Due to the annual meeting of the Radiological Society, we strongly recommend you make your reservations early, as hotels in Chicago will be sold out.

Chicago is truly a city with something for everyone!
To help plan your stay in Chicago visit: www.choosechicago.com

The University of Chicago reserves the right to cancel or postpone this conference due to unforeseen circumstances. In the unlikely event this activity must be cancelled or postponed, the registration fee will be refunded; however, The University of Chicago is not responsible for any related costs, charges, or expenses to participants, including fees assessed by airline/travel/lodging agencies.

Satisfy Your MOCA Requirements – Thursday, December 3rd

The University of Chicago Simulation Center - MOCA® Training is an American Society of Anesthesiologists endorsed program.

The American Society of Anesthesiologists’ Simulation Education Program is the culmination of consultation among leaders in anesthesia simulation. The Program advocates the promotion of learning through simulation and specifically approves programs of quality in anesthesia simulation training. The Committee on Simulation Education oversees the Simulation Education Network that provides training to satisfy the American Board of Anesthesiology’s Maintenance of Certification in Anesthesiology (MOCA®) requirements. Members of ASA and the simulation community will benefit from this Program as it promotes patient safety through refinement of training and team enhancement. This simulation course fulfills one requirement of the American Board of Anesthesiology’s (ABA) Maintenance of Certification in Anesthesiology Program (MOCA®) Part IV. Please consult the ABA website, www.theABA.org, for a list of all MOCA® requirements.

DISCOUNTED FEE: $1,400 – Thursday, December 3rd | 8 am – 4 pm | Register early as MOCA participation is limited to 4 applicants. We will provide transportation to/from Drake Hotel and University of Chicago Simulation Center.

Learning Objectives:
• Manage a patient with significant hemodynamic instability;
• Manage a patient with significant hypoxemia for any cause, including difficult airway management;
• Utilize the principles and practice of teamwork and communication.

Accreditation and Credit Designation:
The University of Chicago Pritzker School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Chicago Pritzker School of Medicine designates this live activity for a maximum of 7 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Conference Agenda

Sunday, December 6th

7:00 am  **Continental Breakfast**

7:15  **Developmental Neurotoxicity**, Sulpicio Soriano, MD

8:00  **Resuscitation in 2015**, Richard Dutton, MD, MBA

8:45  **Can You Put an Epidural in the Patient with ...**, Lisa Leffert, MD

9:15  **The Pediatric Patient with Downs Syndrome**, Ellen Choi, MD

9:45  Q&A

10:00  **Refreshment Break**

10:30  **Can Perioperative Renal Failure be Prevented?** Avery Tung, MD, FCCM

11:15  **Perioperative Applications of Transthoracic Ultrasound**, Sajid Shahul, MD, MPH

12:15  Q&A

12:30 pm  **Conference Adjourned**

Program agenda and speaker selection subject to change.

Registration Form - Registration Fee

The $675 registration fee includes an electronic syllabus (thumb drive), continental breakfasts, refreshment breaks, and reception. For those purchasing an optional workshop, lunch will be provided. The conference fee for residents or nurse anesthetists in training, with letter of verification, is $375 and does not include any of the optional workshops. While registration is open until the start of the conference, we encourage early registration to enable us to provide the best possible service to participants.

Optional Printed Syllabus

Your registration fee includes an electronic syllabus only. An optional printed syllabus is available for an additional $100. If you wish to purchase a hardcopy/print syllabus, we must receive your pre-order before November 6, 2015. We will not have hardcopy syllabi onsite. Onsite registrants will receive an electronic syllabus.

### Payment Worksheet

| Anesthesiologists & Nurse Anesthetists (optional workshops not included) | $675 | $ ________ |
| Residents or Student Nurse (with verification letter - optional workshops not included) | $375 | $ ________ |
| Printed Syllabus (Optional) MUST PRE-ORDER BEFORE NOV 6TH | $100 | $ ________ |

### Optional Workshops (Additional Fees Apply - Includes Lunch)

Space is Limited  •  Pre-Registration Required with Full Registration

| Thursday, December 3rd, MOCA® Training (8 am - 4 pm) | $1,400 |
| Friday, December 4th PLBDs (1:30 - 4:30 pm) | $55 |
| **Session 1:** Obstetric Anesthesia (1:30 - 2:30 pm) | $55 |
| **Session 2:** Troubleshooting Regional Anesthesia (2:30 - 3:30 pm) | $55 |
| **Session 3:** The Electronic Medical Record (3:30 - 4:30 pm) | $55 |
| Saturday, December 5th Ultrasound Workshop (12:30 - 4:30 pm) | $275 |
| Saturday, December 5th PBLDs (12:30 - 3:30 pm) | $55 |
| **Session 4:** The Pediatric Patient (12:30 - 1:30 pm) | $55 |
| **Session 5:** Difficult Airway Solutions (1:30 - 2:30 pm) | $55 |
| **Session 6:** Cardiac Anesthesia (2:30 - 3:30 pm) | $55 |

**TOTAL DUE** $________
