LEARNING OBJECTIVES
At the conclusion of this activity, participants should be able to:

- Discuss how the financial burden of treatment for AYA patients affect their care;
- Identify fertility challenges for AYA patients and appropriate approaches to fertility preservation and therapy;
- Describe how access to care impacts outcomes of AYA patients;
- Relate the factors contributing to treatment compliance in AYA patients;
- Analyze how compliance affects outcomes in AYA patients.

FACULTY DISCLOSURE
As a provider accredited by the ACCME, The University of Chicago Pritzker School of Medicine asks everyone who is in a position to control the content of an education activity to disclose all relevant financial relationships with any commercial interest. This includes any entity producing, marketing, re-selling, or distributing health care goods or services consumed by or used on patients. The ACCME defines “relevant financial relationships” as financial relationships in any amount occurring within the past 12 months, including financial relationships of a spouse or life partner that could create a conflict of interest. Mechanisms are in place to identify and resolve any potential conflict of interest prior to the start of the activity.

Additionally, The University of Chicago Pritzker School of Medicine requires authors to identify investigational products or off-label uses of products regulated by the US Food and Drug Administration, at first mention and where appropriate in the content.

TARGET AUDIENCE
This activity is designed for physicians and other healthcare professionals dedicated to the treatment of adolescent and young adult cancers.

CONFERENCE LOCATION
The program will be held in the The Gleacher Center, 450 Cityfront Plaza Dr, Chicago IL 60611. For directions and parking information, please visit www.gleachercenter.com/about/directions.
