25TH ANNUAL CONFERENCE

Advances in Urogynecology & Minimally Invasive Pelvic Surgery

June 9-11, 2016

New Location: The Gwen Hotel, Chicago

Course Director: Peter K. Sand, MD

Educational Partner: Meeting Achievements

Nurses, Physical Therapists and other Allied Health Care Professionals seeking a

The target audience for this activity includes Gynecologists, Urologists, Urogynecologists,

TARGET AUDIENCE

Upon completion of this course, the participants will be able to:

1. Evaluate and diagnose conditions causing pelvic floor dysfunction.
2. Be able to diagnose and treat urgency urinary incontinence and overactive bladder syndrome.
3. Identify how complications occur with some of the new adjuvant materials and know how to manage them.
4. Identify what advanced laparoscopic techniques they can implement in their practice and what are the best technologies to achieve their minimally invasive surgical goals.
5. Identify how to deal with complications of these operations and how to without adjuvant grafts.

The Surgeons' Workshops

A block of rooms has been reserved at The Gwen Hotel Chicago at a rate of $279.00 for a single and $304.00 for double occupancy, plus tax. In order to receive this rate, you must register by June 1, 2016. A block of rooms has also been reserved at the Holiday Inn Express at a rate of $169.00 for a single and $189.00 for double occupancy, plus tax. In order to receive this rate, you must register by June 1, 2016. A block of rooms has also been reserved at the Sheraton Grand at a rate of $169.00 for a single and $189.00 for double occupancy, plus tax. In order to receive this rate, you must register by June 1, 2016. The University of Chicago Pritzker School of Medicine designates this live activity for a maximum of 22.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

HOTEL ACCOMMODATIONS

Register online at www.UrogynecologyCourses.com
**COURSE DESCRIPTION**

This course is intended to provide the clinician with a functional understanding of the latest methods for evaluating and treating women with pelvic floor dysfunction in the office and with minimally invasive surgical techniques. The didactic sessions will provide the physician with the basic knowledge of how to evaluate and treat women with lower urinary tract abnormalities, pelvic prolapse, anal dysfunction, pelvic pain and urinary incontinence. Basic and advanced techniques for the evaluation and treatment of urinary incontinence, constipation, anal incontinence, pelvic, vulvovaginal and urinary tract pain, and genital prolapse will be discussed by a faculty of experts.

The *Surgeons’ Workshops* will provide the participant with an opportunity to view actual procedures and techniques discussed in the didactic sessions. A new, expanded video session focusing on laparoscopic surgical techniques, tips and tricks will be presented by a panel of expert minimally invasive surgeons so the participant may appreciate contrasting methods and instrumentation that they may adapt to their own practices. Video sessions will also demonstrate current techniques for the treatment of genital prolapse with and without adjuvant grafts, how to deal with complications of these operations and how to treat urinary incontinence in the office and the operating room. The sessions will allow the participant to interact with the faculty in a more informal atmosphere for an open exchange of ideas.

The *Hands-on Laboratory in the Northshore SIM Lab has been dramatically expanded this year to allow participants to expand their anatomic knowledge and surgical skills with laparoscopic, pelvic, and vaginal surgical procedures*. This will include a 30 minute guided pelvic anatomic dissection by Dr. John DeLancey followed by 90 minutes of guided dissection at each cadaver station with the faculty. The laparoscopic faculty will then lead the participants in a one hour laparoscopic skills lab followed by a lunchtime laparoscopic video session in the auditorium to preview the procedures the participants will be performing in the afternoon session. This will be followed by a 2 hour Non-Certified Hand-on Laboratory (CME Credit non applicable) where each of the participants will have the opportunity to perform numerous anti-incontinence and prolapse operations using various surgical kits and techniques. Participants will also be able to perform urodynamics, urethral bulking and learn to utilize neuromodulation and biofeedback techniques.

**CONFERENCE OBJECTIVES**

Upon completion of this course, the participants will be able to:

1. Evaluate and diagnose conditions causing pelvic floor dysfunction.
2. Describe what new procedures are available to treat stress urinary incontinence in the office and operating room.
3. Be able to diagnose and treat urgency urinary incontinence and overactive bladder syndrome.
4. Identify how complications occur with some of the new adjuvant materials and know how to manage them.
5. Identify what advanced laparoscopic techniques they can implement in their practice and what are the best technologies to achieve their minimally invasive surgical goals.

**TARGET AUDIENCE**

The target audience for this activity includes Gynecologists, Urologists, Urogynecologists, Nurses, Physical Therapists and other Allied Health Care Professionals seeking a comprehensive review of urogynecology and pelvic floor dysfunction.
CONFERENCE LOCATION
The program will be held at The Gwen Hotel Chicago at 521 N. Rush St, located on the Magnificent Mile in Chicago, Illinois. Please contact the hotel directly at 312.645.1500 for directions and parking information.

HOTEL ACCOMMODATIONS
A block of rooms has been reserved at The Gwen Hotel Chicago at a rate of $279.00 for a single and $304.00 for double occupancy, plus tax. In order to receive this rate, reservations MUST be made through our meeting planners at Meeting Achievements – Toll Free 866.798.6338 or Email: Urogyn@meetingachievements.com.

Reservations must be made before May 11, 2016 to ensure availability and group rates. All rooms reserved after this date are subject to availability. All rooms must be guaranteed with a major credit card. Chicago is a popular vacation and convention destination. We recommend that you make your reservations as soon as possible in order to guarantee accommodations.

NorthShore University HealthSystem and The University of Chicago reserve the right to cancel or postpone this conference due to unforeseen circumstances. In the unlikely event this activity must be cancelled or postponed, the registration fee will be refunded; however, NorthShore University HealthSystem and The University of Chicago are not responsible for any related costs, charges or expenses to participants, including fees assessed by airline/travel/lodging agencies.

ACCREDITATION AND CREDIT DESIGNATION
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The University of Chicago Pritzker School of Medicine and NorthShore University HealthSystem. The University of Chicago Pritzker School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

The University of Chicago Pritzker School of Medicine designates this live activity for a maximum of 22.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses and other healthcare professionals will receive a Certificate of Participation. For information on applicability and acceptance of certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by the ACCME, please consult your professional licensing board.

ADDITIONAL INFORMATION
For information regarding course content, contact Peter K. Sand, MD, by email at peterksand@gmail.com.

For information regarding course registration, lodging, travel information or course credit, contact Meeting Achievements at 219.465.1115 or email polly@meetingachievements.com.

EDUCATIONAL GRANTS / COMMERCIAL SUPPORT
A complete listing of commercial support received will be provided in the conference materials.

FACULTY DISCLOSURE

As a provider accredited by the ACCME, The University of Chicago Pritzker School of Medicine, requires everyone who is in a position to control the content of an education activity to disclose all relevant financial relationships with any commercial interest. This includes any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. The ACCME defines “relevant financial relationships” as financial relationships in any amount, occurring within the past 12 months, including financial relationships of a spouse or life partner that could create a conflict of interest. Mechanisms are in place to identify and resolve any potential conflict of interest prior to the start of the activity.

Additionally, The University of Chicago Pritzker School of Medicine, requires Authors to identify investigational products or off-label uses of products regulated by the US Food and Drug Administration, at first mention and where appropriate in the content.
THURSDAY, June 9, 2016

7:00 a.m.   Registration, Continental Breakfast and Exhibits

7:20 a.m.   Introduction/Opening Remarks

7:30 a.m.   Pelvic Anatomy for the Reconstructive Surgeon

8:00 a.m.   Understanding Gastrointestinal Physiology & Function

8:30 a.m.   Pathophysiology & Diagnosis of Urodynamic Stress Incontinence

9:00 a.m.   Treatment of Constipation & Defecatory Dysfunction

9:30 a.m.   Diagnosis & Treatment of Overactive Bladder Syndrome

10:00 a.m.  Questions & Answers

10:15 a.m.  Refreshment Break & Exhibits

10:45 a.m.  Estrogen Effects on the Lower Urinary Tract

11:15 a.m.  Diagnosing Pelvic Pain

11:45 a.m.  Behavioral Therapy for Stress & Urgency Incontinence

12:15 p.m.  Uterine Preservation During Reconstructive Surgery:

12:45 p.m.  Lunch Break & Exhibits

2:00 p.m.   Oral, Transdermal & Intravesical Pharmacotherapy for OAB

2:30 p.m.   Tension-Free Midurethral Slings

3:00 p.m.   Single Incision Midurethral Slings: Is There an Advantage?

3:30 p.m.   How to Make Native Tissue Repairs Successful

4:00 p.m.   Retropubic & Laparoscopic Anti-Incontinence Operations

4:30 p.m.   Questions & Answers

4:45 p.m.   Surgeon’s Workshop (Video Presentations)

6:00 p.m.   Adjourn

Program agenda and speaker selection subject to change.

Urogynecology Fellowship
Urogynecology Preceptorship

The Department of Obstetrics and Gynecology at NorthShore University HealthSystem offers a three-year fellowship program in Female Pelvic Medicine to qualified graduates of accredited residencies in obstetrics and gynecology. This program is intended to give the Fellow advanced training in the evaluation and treatment of women with lower urinary tract symptoms. Emphasis is placed on clinical research, Urodynamic methodology and operative and non-operative therapies.

Dr. Sand offers one, two and four week clinical preceptorships at the Evanston Continence Center to interested gynecologists, urologists and other healthcare providers throughout the year. Please contact Dr. Sand by email at peterksand@gmail.com or phone at 847.933.3523 or by fax at 847-933-3531. This is an observership where the participant will observe patients being evaluated and treated in the office and the operating room. The fee is $1000 for the first week and $750 for subsequent weeks.
