# CONFERENCE DESCRIPTION

## Invitation From Organizers

We cordially invite you to join us at UCM Korean Medical Program Health Forum 2016, co-organized by the University of Chicago Medicine International Programs and Seoul National University College of Medicine Alumni Association in Chicago. Korean Americans are one of the most underserved ethnic groups in Chicago in terms of healthcare, due to the limited access to healthcare providers, insufficient information about health conditions and the language barrier. This forum is prepared to provide the most updated clinical information of health conditions prevalent to Korean Americans for physicians and other healthcare professionals interested in addressing the health issues of Korean patients in Chicago.

We look forward to meeting you at the forum and working together to better serve Korean community in Chicago.

### Seon-Kyu Lee, MD, PhD

Director, Interventional Neuroradiology  
The University of Chicago Medicine

### Lucy Park, MD

President of Seoul National University  
College of Medicine Alumni Association in Chicago

## Target Audience

This activity has been designed for physicians and other healthcare professionals interested in addressing the health conditions of Korean American patients.

## Learning Objectives

At the conclusion of this educational activity, participants will be able to:

- Recall how to diagnose osteoporosis and how to prevent osteoporotic compression fractures;
- Describe strategies to expand the heart and lung donor pool, including ex vivo organ perfusion;
- Compare the differences between alloplastic and autologous breast reconstruction;
- Identify neurointerventional techniques for acute ischemic stroke treatment.

Please join us for what promises to be an informative and thought-provoking conference.

## Accreditation and Credit Designation

The University of Chicago Pritzker School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Chicago Pritzker School of Medicine designates this live activity for a maximum of 2 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses and other healthcare professionals will receive a Certificate of Participation. For information on the applicability and acceptance of certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by the ACCME, please consult your professional licensing board.

## Educational Grants/Commercial Support

A complete listing of commercial support received will be provided in the conference materials.

## Disclosure Declarations

As a provider accredited by the ACCME, The University of Chicago Pritzker School of Medicine asks everyone who is in a position to control the content of an education activity to disclose all relevant financial relationships with any commercial interest. This includes any entity producing, marketing, re-selling, or distributing health care goods or services consumed by or used on patients. The ACCME defines "relevant financial relationships" as financial relationships in any amount occurring within the past 12 months including financial relationships of a spouse or life partner that could create a conflict of interest. Mechanisms are in place to identify and resolve any potential conflict of interest prior to the start of the activity.

Additionally, The University of Chicago Pritzker School of Medicine requires Authors to identify investigational products or off-label uses of products regulated by the US Food and Drug Administration at first mention and where appropriate in the content.

Speakers

**James Mok, MD**  
Associate Professor,  
Orthopaedic Surgery,  
The University of Chicago  
Medicine

**Tae H. Song, MD**  
Director, Acute  
Cardiopulmonary  
Support, The University of

Surgery, The University of  
Chicago Medicine

**Seon-Kyu Lee, MD,  
PhD**  
Director, Interventional  
Neuroradiology, The  
University of Chicago  
Medicine

Faculty Disclosure

It is the policy of The University of Chicago to ensure balance, independence, objectivity, and scientific rigor in all its individually sponsored or jointly sponsored educational activities. Individuals who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Mechanisms to ensure that presentations are free from commercial bias are in place. Faculty will also disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Full disclosure of this information will be published in the activity materials.
