# The University of Chicago Faculty

## Co-Directors

### **Sonia Kupfer, MD**

Assistant Professor of Medicine  
Director, Gastrointestinal Cancer  
Risk and Prevention Clinic

### **Joel Pekow, MD**

Assistant Professor of Medicine  
Co-Director, DDRCC  
Translational Core

### **David T. Rubin, MD**

Professor of Medicine  
Section Chief, Gastroenterology,  
Hepatology & Nutrition  
Co-Director,  
Digestive Diseases Center

## Guest Speakers

### **Peter D. Higgins, MD, PhD**

Associate Professor of Medicine  
Director, Inflammatory Bowel  
Disease Program  
University of Michigan

### **Alyssa M. Parian, MD**

Assistant Professor of Medicine  
Johns Hopkins Medicine

## Speakers

### **Lisa Cannon, MD**

Clinical Associate of Surgery

### **Neil Hyman, MD**

Professor of Surgery  
Chief of Colorectal Surgery

### **Jessica Stoll, MS, CGC**

Genetic Counselor,  
Gastrointestinal Cancer Risk and  
Prevention Clinic

### **Namrata Setia, MD**

Assistant Professor of Pathology

### **Uzma Siddiqui, MD**

Associate Professor of Medicine  
Associate Director, Center  
for Endoscopic Research and  
Therapeutics (CERT)  
Director, Endoscopic Ultrasound  
(EUS) and Advanced Endoscopy  
Training

## Disclosure Declarations

As a provider accredited by the ACCME, The University of Chicago Pritzker School of Medicine asks everyone who is in a position to control the content of an education activity to disclose all relevant financial relationships with any commercial interest. This includes any entity producing, marketing, re-selling, or distributing health care goods or services consumed by or used on patients. The ACCME defines "relevant financial relationships" as financial relationships in any amount occurring within the past 12 months, including financial relationships of a spouse or life partner that could create a conflict of interest. Mechanisms are in place to identify and resolve any potential conflict of interest prior to the start of the activity.

Additionally, The University of Chicago Pritzker School of Medicine asks authors to identify investigational products or off-label uses of products regulated by the US Food and Drug Administration at first mention and where appropriate in the content.

## Educational Grants/Commercial Support

A complete listing of commercial support received will be provided in the conference materials.

### Description

This unique program will provide state-of-the-art approaches to diagnosis and management of colorectal cancer in high risk populations. Patients with inflammatory bowel disease (IBD) are at high risk of developing colon cancer. There has also been an alarming trend of younger individuals developing rectal cancers. Chromoendoscopy provides a new tool for detection of cancer in high risk populations. New endoscopic and surgical approaches are changing diagnosis and management of colorectal cancer. These timely topics grounded in the most recent scientific and clinical guidelines will be covered by leading experts. In addition, case discussions with a multidisciplinary panel of gastroenterologists, surgeons, genetic counselors and pathologists will enable direct application of new knowledge to real-world scenarios. The goal is to provide attendees with tools to improve early identification and prevention of colorectal cancer in high-risk populations.

### Target Audience

This activity has been designed for physicians and other allied health professionals in the specialty of gastroenterology and others interested in the treatment of colon cancer.

### Learning Objectives

At the conclusion of this course, the participants should be able to:

- Discuss several benefits and limitations of chromoendoscopy for patients with inflammatory bowel disease;
- Describe the technical aspects of performing chromoendoscopy including endoscopic technique, equipment usage, and chemical knowledge;
- Recognize the clinical knowledge needed to identify patients who should be referred for genetic testing for hereditary colon cancer syndromes;
- Define surveillance guidelines for neoplasia in IBD as written in the SCENIC Consensus Statement;
- State endoscopic and surgical management guidelines of rectal cancer and inflammatory bowel disease-associated neoplasia.

### Accreditation and Credit Designation

The University of Chicago Pritzker School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Chicago Pritzker School of Medicine designates this live activity for a maximum of 4.25 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses and other healthcare professionals will receive a Certificate of Participation. For information on the applicability and acceptance of Certificates of Participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by the ACCME, please consult your professional licensing board.

# Conference Agenda

Saturday, January 28, 2017

---

8:00 am      **Welcome**

---

8:15            **Pre-course Assessment**

Young Onset Colorectal Cancer

8:30            **Overview of Young Onset Colorectal Cancer**

*Sonia Kupfer, MD*

---

8:50            **Updates in Endoscopic Diagnosis & Management of Rectal Cancer**

*Uzma Siddiqui, MD*

---

9:10            **Advances in Surgical Management of Rectal Cancer**

*Lisa Cannon, MD*

---

9:30            **Case Discussion** — *Kupfer, Siddiqui, Cannon, Stoll, Setia*

---

10:15          **Coffee Break**

IBD-Associated Neoplasia

10:30          **Overview of IBD-Associated Neoplasia**

*Joel Pekow, MD*

---

10:50          **Sessile Serrated Lesions in IBD**

*Alyssa M. Parian, MD*

---

11:20          **Keynote Address: “Pros and Cons of Chromoendoscopy in Screening for Colonic Dysplasia in Inflammatory Bowel Disease”**

*Peter D. Higgins, MD, PhD*

---

12:00 pm      **Tour and Lunch**

---

1:00            **Chromoendoscopy in IBD: A Practical Guide**

*David T. Rubin, MD*

---

1:30            **Case Discussion** — *Pekow, Parian, Rubin, Hyman, Setia, Higgins*

---

2:15            **Post-course Assessment**

---

2:30            **Concluding Remarks**

---

## How To Register

 **ONLINE** <https://coloncancerconf2017.eventbrite.com>

## Registration

The registration includes: conference admission, continental breakfast, refreshment breaks, lunch and a comprehensive electronic syllabus. While registration is open until the start of the conference, we encourage early registration to enable us to provide the best possible service to participants.

## Conference Location

**The University of Chicago Medicine**  
Center for Care and Discovery  
5700 South Maryland, 7th Floor  
Chicago, IL 60637

## Accessibility

The University of Chicago is committed to providing equal access appropriate to need and circumstance and complies fully with the legal requirements of the Americans with Disabilities Act. If you are in need of special accommodation, please contact our office at 773-795-7109 or via email at [amajkowski@medicine.bsd.uchicago.edu](mailto:amajkowski@medicine.bsd.uchicago.edu).

For additional information about this activity, please contact Amy Majkowski at **773-795-7109**.
