

THE UNIVERSITY OF CHICAGO

# Advances in Biliary Endoscopy

FEATURING WORLD RENOWNED ENDOSCOPISTS:

**GREGORY B. HABER, MD AND CYRUS PIRAKA, MD**

**Friday November 10, 2017**

7:15AM – 5:00PM

**Course Director:**

Uzma Siddiqui, MD

**Co-Directors:**

Irving Waxman, MD

Christopher Chapman, MD

**Conrad Hotel**

101 E Erie Street  
Chicago, IL

**Course Faculty:**

Gregory B. Haber, MD

Cyrus Piraka, MD

John Alverdy, MD

Steve Zangan, MD

**Registration Cost:**

**\$50** (physicians)

**Free for GI fellows, advanced  
endoscopy fellows and nurses**

Register at  
<https://cme.uchicago.edu/ABE2017>

THE UNIVERSITY OF  
**CHICAGO**  
MEDICINE &  
BIOLOGICAL  
SCIENCES

## COURSE DESCRIPTION

**University of Chicago's Center for Endoscopic Research and Therapeutics (CERT) group** is a nationally recognized interventional gastroenterology group dedicated to evaluating and treating difficult gastrointestinal diseases through advanced endoscopic technologies. This course will highlight advanced endoscopic skills in ERCP, cholangioscopy, and EUS in the management of biliary diseases. This includes topics such as biliary cannulation, difficult bile duct stones, cancers of the pancreas and bile ducts, complications related to acute and chronic pancreatitis and prevention of adverse events related to ERCP. Faculty will present the latest information on biliary endoscopy using a variety of traditional formats, including lectures, panel discussions, interactive video forum, and Q&A. Endoscopic skills can then be enhanced during a hands-on workshop with expert faculty. Balanced viewpoints, special techniques and practical clinical approaches will be highlighted throughout the program.

### ACCREDITATION STATEMENT

The University of Chicago Pritzker School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Chicago Medicine is an approved provider of continuing nursing education by the Ohio Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. (OBN-001-91) (OH-355, 7/1/2019)

The University of Chicago Pritzker School of Medicine designates this live activity for a maximum of **7.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nursing contact hours are provided for this live activity.

Nurses and other healthcare professionals will receive a Certificate of Participation. For information on the applicability and acceptance of Certificates of Participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by the ACCME, please consult your professional licensing board.

### LEARNING OBJECTIVES

Upon completion of this activity, participants will be better able to:

- *Learn ERCP techniques for successful biliary cannulation, large stone removal, and stenting.*
- *Understand and learn more about advanced endoscopic ERCP modalities, such as cholangioscopy, mechanical lithotripsy, radiofrequency ablation, electrohydraulic lithotripsy, and photodynamic therapy.*
- *Recognize diagnostic options in tissue acquisition in pancreaticobiliary tumors.*
- *Understand endoscopic management options for cholangiocarcinoma, including stenting and ablative therapy.*
- *Understand management of pancreaticobiliary diseases in a multi-disciplinary fashion through collaboration with radiology, pathology, surgery and oncology.*

### TARGET AUDIENCE

This course is designed to meet the educational needs of gastroenterologists, gastroenterology fellows, and advanced endoscopy fellows and gastroenterology nurses.

# AGENDA: ADVANCES IN BILIARY ENDOSCOPY

## FRIDAY, NOVEMBER 10

7:15 am	<b>REGISTRATION AND CONTINENTAL BREAKFAST</b>
7:50	<b>Welcome</b> Uzma Siddiqui
8:00	<b>Basics of Pancreaticobiliary Anatomy</b> Christopher Chapman
8:20	<b>Tips Cannulation and Sphincterotomy</b> Gregory B. Haber
8:40	<b>Cholangioscopy Basics</b> Uzma Siddiqui
9:00	<b>Difficult Bile Duct Stones</b> Gregory B. Haber
9:20	<b>Biliary Stenting for Pancreatic Cancers</b> Cyrus Piraka
9:40	<b>Q&amp;A</b> All Faculty
10:00	<b>BREAK</b>
10:20	<b>Role for Endoscopy in Cholecystitis</b> Cyrus Piraka
10:40	<b>Gallstone Disease: Surgeon's Perspective on the Role of Endoscopy</b> John Alverdy
11:00	<b>ERCP in Altered Anatomy</b> Gregory B. Haber
11:20	<b>Diagnosing Indeterminate Biliary Strictures</b> Irving Waxman
11:40	<b>DEBATE: EUS-Guided Biliary Drainage VS Percutaneous Biliary Drainage When ERCP Fails</b> (EUS: Irving Waxman, IR: Steve Zangan)
12:10	<b>Q&amp;A</b> All Faculty
12:30 pm	<b>LUNCH</b>
1:30	<b>Hilar Stenting</b> Gregory B. Haber
1:50	<b>Ablative Endoscopic Therapy for Cholangiocarcinoma</b> Uzma Siddiqui
2:10	<b>Prevention of ERCP related Adverse Events</b> Cyrus Piraka
2:30	<b>Interactive Video Forum</b> Christopher Chapman
3:00	<b>Closing Remarks</b> Uzma Siddiqui
3:15	<b>BREAK</b>
3:30–5:00	<b>HANDS-ON WORKSHOP</b> All Faculty
	<b>STATIONS:</b>
	<b>Cholangioscopy</b>
	<b>Mechanical Lithotripsy</b>
	<b>Plastic Stenting</b>
	<b>Metal Stenting</b>
	<b>Cannulation</b>
