

THE UNIVERSITY OF CHICAGO

Department of Radiology

CONFERENCE DESCRIPTION

Invitation from the Course Director

We invite you to join us at this exciting, comprehensive review and update of the practical aspects of all major subspecialties of Diagnostic Radiology. Our experts are chosen for their excellence as teachers and they will share their clinical expertise and insight to help you improve your performance and practice. They will guide you to appropriate use of conventional imaging modalities such as plain film radiography, computed tomography, magnetic resonance imaging, ultrasound, nuclear medicine and angiography; and when appropriate, they will emphasize newer important imaging modalities including PET/CT, diffusion weighted MR, cardiac CT, and virtual colonoscopy. Current and future trends in radiology healthcare economics will also be explored. Major emphasis will be placed on the practical and clinical aspects of Diagnostic Radiology. Diagnostic tips, techniques and pitfalls will be stressed and differential diagnoses of common radiological findings will be covered. Unknown case reviews will be held after each section — allowing participants to test themselves in a relaxed atmosphere. These popular sessions will stress practical clinical problems and differential diagnoses. Audience Response System (ARS) technology will be used throughout the course and many Self-Assessment Credits (SAMs) will be offered.

We hope that you will join us for the 23rdnd iteration of this fantastic meeting and look forward to welcoming you to exciting Chicago!

Course Director.

Daniel E. Appelbaum, MD

Goals and Learning Objectives

The goal of this activity is to provide participants with critical updates in the field of radiology that will improve their competence and improve patient care. At the conclusion of this educational activity, participants will be able to:

- Identify the clinical features of common and less common diseases to create an appropriate differential diagnoses;
- Discuss how both general and subspecialty radiologic imaging techniques lead to the appropriate differential diagnoses of common and less common diseases;
- Detail how the newer imaging methods of breast tomosynthesis, diffusion MR, tractography, cardiac CT/ MR, virtual colonoscopy, PET/CT, SPECT/CT, and PET/MR can lead to improved diagnoses;
- · Compare the most effective imaging methods of different disease entities;
- Analyze the strengths and limitations of different diagnostic imaging procedures;
- Describe how technology and the greater healthcare system affect the practice of radiology.

Target Audience

The target audience includes practicing radiologists and residents seeking a comprehensive review of Diagnostic Radiology.

Accreditation and Credit Designation

The University of Chicago Pritzker School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Chicago Pritzker School of Medicine designates this live activity for a maximum of 47.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses and other healthcare professionals will receive a Certificate of Participation. For information on the applicability and acceptance of certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by the ACCME, please consult your professional licensing board.

This meeting is fully qualified by the ABR to award SAM cerdits.

Educational Grants/Commercial Support

A complete listing of commercial support received will be provided in the conference materials.

Disclosure Declarations

As a provider accredited by the ACCME, The University of Chicago Pritzker School of Medicine asks everyone who is in a position to control the content of an education activity to disclose all relevant financial relationships with anycommercial interest. This includes any entity producing, marketing, re-selling, or distributing health care goods or services consumed by or used on patients. The ACCME defines "relevant financial relationships" as financial relationships in any amount occurring within the past 12 months including financial relationships of a spouse or life partner that could create a conflict of interest. Mechanisms are in place to identify and resolve any potential conflict of interest prior to the start of the activity.

Additionally, The University of Chicago Pritzker School of Medicine requires Authors to identify investigational products or off-label uses of products regulated by the US Food and Drug Administration at first mention and where appropriate in the content.

Chairman

David Paushter, MD, FACR

Professor and Chair Department of Radiology University of Chicago

Program Director

Daniel E. Appelbaum, MD

Associate Professor of Radiology Director of Nuclear Medicine / PET Imaging University of Chicago

The University of Chicago Faculty Speakers

Hiroyuki Abe, MD, PhD

Professor of Radiology Director, Breast Imaging Research

Saad Ali, MD

Assistant Professor of Radiology Director, Spine Neuroradiology

Jonathan W. Berlin MD, MBA,

Director of Business Development Clinical Professor of Radiology NorthShore University HealthSystem University of Chicago Pritzker School of Medicine

Greg Christoforidis, MD

Professor of Radiology and Surgery Section Chief, Neuroradiology

Jonathan H. Chung MD

Associate Professor of Radiology Section Chief, Thoracic Radiology

John M. Collins, MD, PhD

Assistant Professor of Radiology Director, Advanced Neuroimaging

Abraham H. Dachman, MD, FACR

Professor of Radiology Director, Fellowship Programs

Larry B. Dixon, MD

Associate Professor of Radiology Director, Musculoskeletal Advanced Clinical Experience

Kate Feinstein, MD, FACR

Professor of Radiology and Surgery Section Chief, Pediatric Radiology

Daniel Ginat, MD

Assistant Professor of Radiology Director, Head & Neck Imaging

Carla Harmath, MD

Assistant Professor of Radiology

Kirti Kulkarni, MD

Assistant Professor of Radiology

Luis Landeras, MD

Assistant Professor of Radiology

Seon Kyu Lee, MD, PhD

Associate Professor of Radiology, Surgery and Neurology Director, Neurointerventional Radiology

Jeffrey Leef, MD

Associate Professor of Radiology

Heber MacMahon, MB, BCh

Professor of Radiology Section Chief, Thoracic Radiology

Melvy Mathew, MD

Assistant Professor of Radiology

Steven Montner, MD

Professor of Radiology

Rakesh Navuluri, MD

Assistant Professor of Radiology

Seng Ong. MD

Assistant Professor of Radiology Director, Radiology Residency Program

Aytekin Oto, MD

Professor of Radiology and Surgery Chief of Abdominal Imaging and Body MRI

Amit Patel, MD

Associate Professor of Medicine and Radiology Director of Cardiac MR and CT

David N. Rabin, MD

Assistant Professor of Radiology NorthShore University HealthSystem University of Chicago Pritzker School of Medicine

David Schacht, MD

Associate Professor of Radiology Section Chief, Breast Imaging

Deepa Sheth, MD

Assistant Professor of Radiology

Scott Sorensen, MD

Radiology Fellow

G. Scott Stacy, MD

Professor of Radiology Section Chief, Musculoskeletal Radiology

Stephen Thomas, MD

Assistant Professor of Radiology

Thuong VanHa, MD

Professor of Radiology Director, Vascular Interventional Clinical Research

Carina Yang, MD

Assistant Professor of Radiology Director, Pediatric Neuroradiology

Steven Zangan, MD

Associate Professor of Radiology Associate Program Director, Radiology Residency

Mario Zaritzky, MD

Assistant Professor of Radiology University of Chicago

Guest Speakers

David Casalino, MD

Professor of Radiology Chief, Genitourinary Radiology Northwestern University Chicago, IL

Frank H. Miller, MD, FACR

Professor of Radiology Lee F. Rogers Professor of Medical Education Director of Body Imaging Director of MRI Northwestern University Chicago. IL

Sundeep M, Nayak, MD

Chief of Imaging & Senior Physician The Permanente Medical Group, Inc. San Leandro. CA

5:00	Cardiac Unknowns Luis Landeras, MD and Amit Patel, MD	
6:00 pm	Adjourn	

Location and Accommodations

We are excited and pleased to be returning to Hyatt Chicago Magnificent Mile in 2018! At the Hyatt Chicago Magnificent Mile Hotel, you are in the heart of Chicago, steps from Michigan Avenue, the Gold Coast neighborhood, and Lake Michigan. This classic urban hotel is a symbol of hospitality on The Magnificent Mile. We are pleased to offer a special discounted rate of \$229.00 per night for single or double occupancy. Room reservations must be made by April 6, 2018 to guarantee the reduced rate. All rates are subject to state and city taxes and must be guaranteed and accompanied by a first night room deposit or guaranteed with a major credit card. Check-in time is 3 pm and check-out time is 12 pm. Cancellations must be received 24 hours prior to arrival or one night room and tax will be assessed.

To reserve a room at this special rate, please call the hotel toll free at 888-591-1234 and identify yourself as part of the University of Chicago Radiology Review 2018 event or book online at:

https://aws.passkey.com/go/RadiologyReview2018

With a locale just one block from Michigan Avenue, near Chicago dining, shops, museums and art galleries, this hotel provides a great base to explore exciting Chicago tourist attractions. Additionally, you can maintain your healthy lifestyle with a satisfying workout in the fitness center or a swim in the sparkling indoor pool.

To help plan your stay in Chicago, visit: **www.choosechicago.com**

All participants are responsible for making their own travel arrangements.

The University of Chicago reserves the right to cancel or postpone this conference due to unforeseen circumstances. In the unlikely event this activity must be cancelled or postponed, the registration fee will be refunded; however, The University of Chicago is not responsible for any related costs, charges, or expenses to participants, including fees assessed by airline/travel/lodging agencies.

How To Register

ONLINE https://cme.uchicago.edu/RadiologyReview2018

(credit card payment only)

To pay by check, you must mail this registration form with payment to:

MAIL

The University of Chicago Department of Radiology c/o Radiology Review 2018 5841 S. Maryland Ave, MC 2026 Chicago, IL 60637 (Fax verification letter to 773-834-6237) **Contrast Reaction** Management Simulation

Module-Again this year we will offer an additional live, active simulation module for Contrast Reaction Management, led by Dr. Carina Yang. Registration will open soon and will be limited. If interested please call 773-702-3550.

BONUS

Registration Fee

Physicians and Scientists

The \$1425 registration fee includes: conference registration, continental breakfast, refreshment breaks, and a comprehensive electronic syllabus. The conference fee for residents and military, with letter of verification, is \$1000. While registration is open until the start of the conference, we encourage early registration to enable us to provide the best possible service to participants.
