CONFERENCE DESCRIPTION

The International Ultmann Chicago Lymphoma Symposium (IUCLS) is an annual conference dedicated solely to the science and clinical care of lymphoma. This year's program offered in May 2018 represents the 15th IUCLS. It has been organized to honor the achievements of Dr. John Ultmann, a pioneer in the treatment of lymphoma, who devoted his life to the understanding of this disease. He was particularly known for his work on the staging of Hodgkin lymphoma and the utility of staging as a guide for treatment.

As a certified Continuing Medical Education activity, participants will learn about the biologic, diagnostic, and therapeutic aspects of Hodgkin and non-Hodgkin lymphoma through the combination of expert presentations, interactive case discussions, poster/abstract presentations, and question-and-answer debates. The audience is comprised of regional practicing oncologists, advanced nurse practitioners and physician assistants, registered nurses, residents, fellows, and the Chicago academic community that includes five academic centers.

This year the symposium will be held at the **Kimpton Gray Hotel, Friday May 4th through Saturday May 5th, 2018**. The symposium's agenda on Friday afternoon will concentrate on the scientific and translation aspects of lymphoma, while the agenda on Saturday will have a clinical focus. A special nursing session has been added on Friday morning that includes an overview of the diagnosis, prognosis, and treatment of lymphoma along with two panel discussions.

LEARNING OBJECTIVES

At the conclusion of this education activity, participants will be able to:

- Describe the evolving role of cellular therapy in lymphoma treatment;
- Identify new targets and therapeutic agents in lymphoma treatment;
- Recognize the appropriate circumstances in which to use different immune-oncology options in lymphoma treatment;
- Evaluate how new scientific data affects the treatment of Hodgkin lymphoma;
- Discuss the appropriate sequencing of agents in chronic lymphocytic leukemia (CLL) treatment based upon the latest scientific evidence;
- Identify patients in need of central nervous system (CNS) prophylaxis using the latest guidelines;
- Distinguish when to employ treatments for various T-cell lymphoma histologies;
- Outline how timing affects the use of CAR-T as a therapeutic option for lymphoma.

ACCREDITATION AND CREDIT DESIGNATION

The University of Chicago Pritzker School of Medicine is accredited by the Accreditation Council for Continuing Medical Education

to provide continuing medical education for physicians. The University of Chicago Pritzker School of Medicine designates this live activity for a maximum of 12.25 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

For the first time the symposium will be certified for nursing continuing education credits! The University of Chicago Medicine is an approved provider of continuing nursing education by the Ohio Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. (OBN-001-91) (OH-355, 7/1/2019) This live activity is designated for a maximum of 13.25 nursing education units.

Other healthcare professionals will receive a Certificate of Participation. For information on the applicability and acceptance of certificates of participation for educational activities certified for *AMA PRA Category 1 Credit*[™] from organizations accredited by the ACCME, please consult your professional licensing board.

EDUCATIONAL GRANTS/COMMERCIAL SUPPORT

A complete listing of commercial support received will be provided in the conference materials.

LOCATION AND ACCOMMODATIONS

The conference will be held at the Kimpton Gray Hotel, located at 122 West Monroe Street.

Like a well-tailored suit, Kimpton Gray Hotel has been designed with you in mind. No detail has gone unnoticed, no amenity spared. Set in a historic building that's considered one of Chicago's finest landmarks, this is the height of opulence—but it's also triumphantly modern. Think smart, sophisticated, and stylish—much like a perfectly fitted suit from London's famed Savile Row.

We are pleased to offer a special discounted rate for symposium attendees. **Our special rates start at** **\$219*** single/double occupancy

To reserve a room at this special rate, please call the hotel at 877-771-7031 and identify yourself as part of the University of Chicago International Ultmann Chicago Lymphoma Symposium 2018 or book online at <http://chicagolymphoma.com/hotel-accommodations/>.

Reservations must be received by the hotel no later than April 12, 2018 to guarantee this special rate.

DISCLOSURE DECLARATIONS

As a provider accredited by the ACCME, The University of Chicago Pritzker School of Medicine, asks everyone who is in a position to control the content of an education activity to disclose all relevant financial relationships with any commercial interest. This includes any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. The ACCME defines "relevant financial relationships" as financial relationships in any amount, occurring within the past 12 months, including financial relationships of a spouse or life partner that could create a conflict of interest. Mechanisms are in place to identify and resolve any potential conflict of interest prior to the start of the activity.

Additionally, The University of Chicago Pritzker School of Medicine, requires Authors to identify investigational products or off-label uses of products regulated by the US Food and Drug Administration, at first mention and where appropriate in the content.

The University of Chicago reserves the right to cancel or postpone this conference due to unforeseen circumstances. In the unlikely event this activity must be cancelled or postponed, the registration fee will be refunded; however, The University of Chicago is not responsible for any related costs, charges, or expenses to participants, including fees assessed by airline/travel/lodging agencies.

* All rates are subject to state and city taxes. All reservations must be secured via a valid major credit card. Check-in time is 3 pm and check-out time is 12 pm.
