# Benefits of Attendance

- Admission to symposium sessions and exhibits
- Complimentary DVD set of the meeting (a \$350 value)
- World-renowned faculty and a cutting-edge program
- Master classes provide in-depth information on hot topics by the experts at no extra cost
- Daily opportunities to mingle with the experts
- *AMA PRA Category 1 Credit*™ available
- 7 Patient Safety Credits
- Daily breakfasts, coffee breaks, and lunches as well as a Welcome Reception
- This activity has been planned for plastic surgeons, dermatologists, oculoplastic surgeons, facial plastic surgeons, otolaryngologists, and other health professionals interested in the techniques and technology of aesthetic plastic surgery.

# Program Objectives

At the conclusion of this symposium, participants should be able to:

- Discuss the clinical decision making and current techniques for various aesthetic surgery procedures including: forehead and temporal lifting, orbital and periorbital rejuvenation, face and neck rejuvenation, rhinoplasty, breast surgery, body contouring after massive weight loss, and cosmetic medicine
- Explain the results of various techniques for face and neck rejuvenation, periorbital rejuvenation, rhinoplasty, breast surgery, and body contouring
- Discuss new advances in cosmetic medicine and nonsurgical cosmetic treatments
- Describe patient safety considerations for aesthetic surgery and strategies for avoiding problems and complications
- Identify ways to embrace new products and devices while ensuring the safety of patients

## **CME** Accreditation:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The University of Chicago Pritzker School of Medicine and Quality Medical Publishing, Inc (QMP). The University of Chicago Pritzker School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

## **CME Credit Designation:**

The University of Chicago Pritzker School of Medicine designates this live activity for a maximum of 26.25 AMA PRA Category 1 Credits<sup>TM</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Nurses and other healthcare professionals will receive a Certificate of Participation. For information on the applicability and acceptance of Certificates of Participation for educational activities certified for AMA PRA Category 1 Credit<sup>TM</sup> from organizations accredited by the ACCME, please consult your professional licensing board.

I am pleased to invite you to attend

the Twelfth Annual OMP Aesthetic Surgery Symposium. This year's meeting will be held at the Renaissance Chicago Downtown Hotel in Chicago, Illinois on November 11-13, 2016. We will once again

be covering contemporary topics in aesthetic surgery presented by a world-renowned faculty. We promise another excellent educational experience complete with master courses, video presentations, and plenty of opportunities for attendee interaction with faculty.

Sincerely,

Andrew Berger President/CEO

Quality Medical Publishing, Inc.

Attendance is limited, so please register now to guarantee your place.

all relevant financial relationships with any commercial interest. This includes any entity producing, marketing, re-selling, or distributing health care goods or services consumed by or used on patients. The ACCME defines "relevant financial relationships" as financial relationships in any amount occurring within the past 12 months, including financial relationships of a spouse or life partner that could create a conflict of interest. Mechanisms are in place to identify and resolve any potential conflict of interest prior to the start of the activity.

Additionally, The University of Chicago Pritzker School of Medicine requires Authors to identify investigational products or off-label uses of products regulated by the US Food and Drug Administration at first mention and where appropriate in the content.
