| 2 | Robotic discussion interesting | Jul 22, 2013 11:57 AM |

**Q6. Reoperative Parathyroid Surgery**

|   |   |                       |
|---|---|-----------------------|
| 1 | Enjoyed the operation video, great talk | Jul 22, 2013 12:30 PM |
| 2 | Video was excellent ; Very informative  | Jul 22, 2013 12:25 PM |
| 3 | Did not attend                          | Jul 22, 2013 12:12 PM |
| 4 | Great operative pearls                  | Jul 22, 2013 12:04 PM |
| 5 | Always good                             | Jul 22, 2013 11:57 AM |

**Q7. Challenging Cases: Panel Discussion (AIRS), MD Panel**

|   |                          |                       |
|---|--------------------------|-----------------------|
| 1 | Very interesting format! | Jul 22, 2013 12:25 PM |
| 2 | Did not attend           | Jul 22, 2013 12:12 PM |
| 3 | Nice cases               | Jul 22, 2013 12:01 PM |

**Q8. The Changing Epidemiology of Thyroid Cancer**

|   |                      |                       |
|---|----------------------|-----------------------|
| 1 | Very interesting     | Jul 22, 2013 12:30 PM |
| 2 | So it's mammoglan's? | Jul 22, 2013 11:57 AM |

**Q9. Controversies in the ATA Guidelines for Well-Differentiated Thyroid Cancer**

|   |  |                       |
|---|--|-----------------------|
| 1 | Very well presented ; Thoughtful arguments | Jul 22, 2013 12:25 PM |
|---|--|-----------------------|

**Q10. What Does BRAF Status Mean in the Management of Patients with Papillary Thyroid Carcinoma?**

|   |  |                       |
|---|--|-----------------------|
| 1 | Good summary, but got a little lost in the middle. | Jul 22, 2013 12:08 PM |
| 2 | Too rushed, confusing (at least for me)            | Jul 22, 2013 12:01 PM |
| 3 | New stuff!! But what do I do with this?            | Jul 22, 2013 11:57 AM |

**Q11. Prophylactic Central Neck Dissection for PTC?**

|   |   |                       |
|---|---|-----------------------|
| 1 | Great balanced presentation                         | Jul 22, 2013 12:04 PM |
| 2 | Excellent speaker                                   | Jul 22, 2013 12:01 PM |
| 3 | Why?? - Data iffy, If I give all I131 - No decision | Jul 22, 2013 11:57 AM |

**Q12. Optimal Surgery for Pediatric Patients with Well-Differentiated Thyroid Cancer**

|   |   |                       |
|---|---|-----------------------|
| 1 | Extremely professional approach to practice guideline disagreement! | Jul 22, 2013 12:25 PM |
| 2 | Excellent speaker   | Jul 22, 2013 12:01 PM |
| 3 | Good!   | Jul 22, 2013 11:57 AM |

**Q13. Optimal Surgery for Medullary Thyroid Cancer**

|   |  |                       |
|---|--|-----------------------|
| 1 | Excellent Presentation ; Very informative            | Jul 22, 2013 12:25 PM |
| 2 | Good presentation, but too much like a laundry list. | Jul 22, 2013 12:08 PM |
| 3 | Good job. Slides could not be read - too small print | Jul 22, 2013 11:57 AM |
| 4 | Several slides were too busy                         | Jul 22, 2013 11:47 AM |

**Q14. Clinical Trials in Thyroid Cancer**

|   |                               |                       |
|---|-------------------------------|-----------------------|
| 1 | Too much detail - (illegible) | Jul 22, 2013 12:45 PM |
| 2 | 6                             | Jul 22, 2013 12:40 PM |
| 3 | Excellent presenter           | Jul 22, 2013 12:04 PM |
| 4 | Exciting Speaker              | Jul 22, 2013 12:01 PM |
| 5 | New stuff! - Thank you        | Jul 22, 2013 11:57 AM |

**Q15. Challenging Thyroid Cancer Cases: Panel Discussion (AIRS)**

|   |              |                       |
