10. Syllabus Material is relevant	100.0% (11)	0.0% (0)	0.0% (0)	0.0% (0)	0.0% (0)	5.00	11
answered question							11
skipped question							0

3. 11. Do you feel the Audio/Video study format is a viable mode of instructional delivery or would you prefer a live activity?

		Response Percent	Response Count
	Live	0.0%	0
	Self-Study	100.0%	11
		answered question	11
		skipped question	0

4. 12. What did you find to be the most valuable componenet of this activity?

	Response Count
	10
	answered question 10
	skipped question 1

5. 13. What subject areas would you like to see offered in the future?

	Response Count
	7
	answered question 7
	skipped question 4

Q4. 12. What did you find to be the most valuable component of this activity?

1	Spine lecture Spot line lecture on trauma was great rare lecture	Jul 19, 2013 1:17 PM
2	- up-to-date information with practical approach for patient care	Jul 19, 2013 1:13 PM
3	More confidence in dealing with things in office instead of sending most to ortho (and when must send)	Jul 19, 2013 1:11 PM
4	Clearly oriented towards primary care audience	Jul 19, 2013 1:05 PM
5	Sports inquiries, Peds, Developmental	Jul 19, 2013 1:04 PM
6	Sport Injury Sections Foot and Ankle Hands (Dr. Mass)	Feb 20, 2012 12:21 PM
7	What specialists feel are important delineators that make a difference in practice management	Jan 12, 2012 4:31 PM
8	The visual demonstrations in video	Jan 12, 2012 4:30 PM
9	Fractures. ortho assessments, spine, injury and disease, procedures (office based), DSD, PEDs	Dec 28, 2011 11:24 AM
10	I would have liked more x-ray examples and/or procedure techniques w/video versus ppt slides	Dec 28, 2011 11:22 AM

Q5. 13. What subject areas would you like to see offered in the future?

1	orthopedics Include physical therapy lecture	Jul 19, 2013 1:17 PM
2	Rheumatology for 1 care FP Board Review Genetic Medicine + Dysmorphology for 1 care	Jul 19, 2013 1:11 PM
3	Septic joint management.	Jul 19, 2013 1:05 PM
4	"Wilderness Medicine"	Jul 19, 2013 1:04 PM
5	Sports medicine	Jan 12, 2012 4:30 PM
6	Detailed spine course, hand course, shoulder course, hip course, knee course, ankle course	Dec 28, 2011 11:24 AM
7	Emergency/urgent care common conditions/procedures	Dec 28, 2011 11:22 AM
