

## CME Visiting Professor Program: 10/10/2012, Regueiro

### 1. Role of 5-ASA in the Treatment of Mild and Moderate UC

|   | Excellent<br>5         | 4        | 3        | 2        | Poor 1   | Rating<br>Average | Rating<br>Count |
|---|------------------------|----------|----------|----------|----------|-------------------|-----------------|
| Content of presentation                         | <b>100.0%<br/>(10)</b> | 0.0% (0) | 0.0% (0) | 0.0% (0) | 0.0% (0) | 5.00              | 10              |
| Ability to convey the subject<br>matter clearly | <b>100.0%<br/>(10)</b> | 0.0% (0) | 0.0% (0) | 0.0% (0) | 0.0% (0) | 5.00              | 10              |
| answered question                               |                        |          |          |          |          |                   | <b>10</b>       |
| skipped question                                |                        |          |          |          |          |                   | <b>0</b>        |

### 2. Top-Down vs Bottom-Up Therapy in UC: Issues and Evidence

|   | 5                | 4         | 3        | 2        | 1        | Rating<br>Average | Rating<br>Count |
|---|------------------|-----------|----------|----------|----------|-------------------|-----------------|
| Content of presentation                         | <b>90.0% (9)</b> | 10.0% (1) | 0.0% (0) | 0.0% (0) | 0.0% (0) | 4.90              | 10              |
| Ability to convey the subject<br>matter clearly | <b>90.0% (9)</b> | 10.0% (1) | 0.0% (0) | 0.0% (0) | 0.0% (0) | 4.90              | 10              |
| answered question                               |                  |           |          |          |          |                   | <b>10</b>       |
| skipped question                                |                  |           |          |          |          |                   | <b>0</b>        |

### 3. When is the Colon Worth Saving: The Risks of Intensive Therapy vs Risks of Colectomy in Severe UC

|  | 5                 | 4        | 3        | 2        | 1        | Rating Average | Rating Count |
|--|-------------------|----------|----------|----------|----------|----------------|--------------|
| Content of presentation                      | <b>100.0% (9)</b> | 0.0% (0) | 0.0% (0) | 0.0% (0) | 0.0% (0) | 5.00           | 9            |
| Ability to convey the subject matter clearly | <b>100.0% (9)</b> | 0.0% (0) | 0.0% (0) | 0.0% (0) | 0.0% (0) | 5.00           | 9            |
| answered question                            |                   |          |          |          |          |                | 9            |
| skipped question                             |                   |          |          |          |          |                | 1            |

### 4. Rate the extent to which you agree or disagree.

|  | Strongly Agree 5 | 4                | 3         | 2        | Strongly Disagree 1 | Rating Average | Rating Count |
|--|------------------|------------------|-----------|----------|---------------------|----------------|--------------|
| The format for this activity was appropriate for the content presented.            | <b>90.0% (9)</b> | 10.0% (1)        | 0.0% (0)  | 0.0% (0) | 0.0% (0)            | 4.90           | 10           |
| Participation in this activity changed my knowledge/attitudes.                     | 40.0% (4)        | <b>60.0% (6)</b> | 0.0% (0)  | 0.0% (0) | 0.0% (0)            | 4.40           | 10           |
| I will make a change in practice as a result of my participation in this activity. | <b>40.0% (4)</b> | <b>40.0% (4)</b> | 20.0% (2) | 0.0% (0) | 0.0% (0)            | 4.20           | 10           |
| answered question  |                  |                  |           |          |                     |                | 10           |
| skipped question   |                  |                  |           |          |                     |                | 0            |

## 5. This activity helped me to achieve the following objectives:

|  | Strongly Agree 5 | 4         | 3         | 2        | Strongly Disagree 1 | Rating Average | Rating Count |
|--|------------------|-----------|-----------|----------|---------------------|----------------|--------------|
| Define the American College of Gastroenterology Practice Guidelines as they relate to the goal of effective management of UC.                  | <b>70.0% (7)</b> | 10.0% (1) | 20.0% (2) | 0.0% (0) | 0.0% (0)            | 4.50           | 10           |
| Discuss factors to consider when classifying disease severity and identify optimal treatment strategies for patients with mild or moderate UC. | <b>70.0% (7)</b> | 30.0% (3) | 0.0% (0)  | 0.0% (0) | 0.0% (0)            | 4.70           | 10           |
| Compare the concept of “bottom-up” vs. “top-down” treatment as it relates to UC and discuss the evidence and issues regarding each strategy.   | <b>90.0% (9)</b> | 10.0% (1) | 0.0% (0)  | 0.0% (0) | 0.0% (0)            | 4.90           | 10           |
| Relate the potential risks of intensive therapy vs. the potential risks of colectomy for patients with severe UC.                              | <b>80.0% (8)</b> | 20.0% (2) | 0.0% (0)  | 0.0% (0) | 0.0% (0)            | 4.80           | 10           |
| Design therapeutic strategies to optimize the use of therapies for the management of mild, moderate, or severe UC                              | <b>90.0% (9)</b> | 10.0% (1) | 0.0% (0)  | 0.0% (0) | 0.0% (0)            | 4.90           | 10           |
| <b>answered question</b>   |                  |           |           |          |                     |                | <b>10</b>    |
| <b>skipped question</b>  |                  |           |           |          |                     |                | <b>0</b>     |

**6. The therapeutic recommendations presented in this activity did not encourage inappropriate or excessive use of products/devices.**

|                   |  | Response<br>Percent | Response<br>Count |
|-------------------|--|---------------------|-------------------|
| Agree             |  | 100.0%              | 10                |
| Disagree          |  | 0.0%                | 0                 |
| answered question |  |                     | 10                |
| skipped question  |  |                     | 0                 |

**7. The information presented in this activity did not serve to advance a proprietary interest of any commercial entity.**

|                   |  | Response<br>Percent | Response<br>Count |
|-------------------|--|---------------------|-------------------|
| Agree             |  | 100.0%              | 9                 |
| Disagree          |  | 0.0%                | 0                 |
| answered question |  |                     | 9                 |
| skipped question  |  |                     | 1                 |

**8. If you felt the activity was biased, please explain:**

|                   | Response<br>Count |
|-------------------|-------------------|
|                   | 0                 |
| answered question | 0                 |
| skipped question  | 10                |

**9. If you felt the learning objectives were not met, please explain:**

|                   | Response<br>Count |
|-------------------|-------------------|
|                   | 0                 |
| answered question | 0                 |
| skipped question  | 10                |

**10. Questions or comments regarding this activity. Please include any information that remains unclear.**

|                   | Response<br>Count |
|-------------------|-------------------|
|                   | 2                 |
| answered question | 2                 |
| skipped question  | 8                 |

## 11. What is/are your preferred format(s) for earning continuing medical education credits?

|                          |  | Response<br>Percent | Response<br>Count |
|--------------------------|--|---------------------|-------------------|
| Satellite symposium      |  | 0.0%                | 0                 |
| <b>Dinner Meeting</b>    |  | <b>100.0%</b>       | <b>8</b>          |
| Teleconference           |   | 12.5%               | 1                 |
| PDA/mobile CME           |  | 0.0%                | 0                 |
| Grand rounds             |   | 37.5%               | 3                 |
| Internet activity        |  | 0.0%                | 0                 |
| Journal supplement       |  | 0.0%                | 0                 |
| CD-ROM                   |  | 0.0%                | 0                 |
| Podcast                  |  | 0.0%                | 0                 |
| Newsletter/monograph     |  | 0.0%                | 0                 |
|                          | Other (please specify).  |                     | 0                 |
| <b>answered question</b> |  |                     | <b>8</b>          |
| <b>skipped question</b>  |  |                     | <b>2</b>          |

## 12. Based on this activity, how committed are you to make the following changes?

|  | Very<br>Committed<br>5 | 4         | 3         | 2        | No<br>Committed<br>1 | Rating<br>Average | Rating<br>Count |
|--|------------------------|-----------|-----------|----------|----------------------|-------------------|-----------------|
| Routine monitoring of blood urea nitrogen (BUN)/serum creatinine levels in patients on 5-aminosalicylic acid (5-ASA) therapy | <b>88.9% (8)</b>       | 11.1% (1) | 0.0% (0)  | 0.0% (0) | 0.0% (0)             | 4.89              | 9               |
| Addressing with patients any barriers to medication adherence  | <b>66.7% (6)</b>       | 33.3% (3) | 0.0% (0)  | 0.0% (0) | 0.0% (0)             | 4.67              | 9               |
| Discussing the potential risks of intensive therapy vs the potential risks of colectomy with patients who have severe UC     | <b>66.7% (6)</b>       | 22.2% (2) | 11.1% (1) | 0.0% (0) | 0.0% (0)             | 4.56              | 9               |

If there are any other changes you plan to make in your practice based on this activity, please list them here.
