Conference Description

The Chicago Breast & Lymphedema Symposium will identify, discuss and demonstrate complex breast reconstruction and lymphedema therapies within the framework of creating and maintaining multidisciplinary relationships.

The standard of care for breast cancer and for lymphedema spans multiple disciplines, including surgical oncology, plastic surgery, medical and radiation oncology, breast radiology, as well as rehabilitation. Outcomes are optimized for patients when multidisciplinary care is well coordinated. Symposium faculty will illustrate concrete examples of successful patient care through coordinated intervention, by breaking down individual procedures and analyzing steps in patient care. Faculty will also discuss technique and challenges encountered in various surgical procedures.

Following the symposium program, registrants will be able to differentiate when to use various breast reconstruction and lymphedema procedures as well as how to facilitate new relationship across disciplines to promote improved patient outcome.

Learning Objectives

After participating in this conference, participants will be able to:

- Analyze the indications, trends, patient decision making factors, and outcomes for prophylactic and contralateral prophylactic mastectomies;
- Identify candidates for nipple sparing mastectomies;
- Define guidelines on surgery techniques employed in nipple sparing mastectomies;
- Refine techniques for alloplastic and autologous breast reconstruction for nipple sparing mastectomies;
- Identify the current options for lymphedema treatment and analyze the pros and cons of various treatment options;
- Determine the expected outcomes from treatment of lymphedema based on analyzed case studies and examples.

Target Audience

The target audience includes physicians, residents and fellows as well as nurses, physical therapists, occupational therapists and mid-level providers in the specialties of Plastic & Reconstructive Surgery, General Surgery, Breast Surgery, Medical Oncology, Radiation Oncology, and Lymphedema.

Location and Accommodations

The conference will be held at The University of Chicago Biological Science and Learning Center (BSLC), located at 924 E. 57th Street, on University of Chicago's beautiful campus. The BSLC can be reached by public transportation and there are numerous public parking facilities in the area.

The University of Chicago has established preferred relationships with hotels in the Chicagoland area to offer discounted sleeping room rates, complimentary amenities. All affiliated hotels can be found on our website at www.ucmcsymposium.com/hotel-travel-1

If calling the hotel directly to book your reservations, please request "The University of Chicago rate" to receive the discounted rate.

All rates are subject to state and city taxes. All reservations must be secured via a valid major credit card. To help plan your stay in Chicago visit: choosechicago.com

The University of Chicago reserves the right to cancel or postpone this conference due to unforeseen circumstances. In the unlikely event this activity must be canceled or postponed, the registration fee will be refunded; however, The University of Chicago is not responsible for any related costs, charges, or expenses to participants, including fees assessed by airline/travel/lodging agencies.

Accreditation and Credit Designation

The University of Chicago Pritzker School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Chicago Pritzker School of Medicine designates this live activity for a maximum of 19.50 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

- Friday 6.50 *AMA PRA Category 1 Credits*[™]
- Saturday 7.75 *AMA PRA Category 1 Credits*[™]
- Sunday 5.25 *AMA PRA Category 1 Credits*[™]

Nurses and other healthcare professionals will receive a Certificate of Participation. For information on the applicability and acceptance of Certificates of Participation for educational activities certified for *AMA PRA Category 1 Credit*[™] from organizations accredited by the ACCME, please consult your professional licensing board.

The University of Chicago Medical Center is a licensed continuing education provider with the Illinois Department of Financial and Professional Regulation for Physical Therapy, license # 216-000030 and Occupational Therapy, license #224-000054. All participants will be provided with a certificate of attendance. This course is approved for 6.5 continuing education hours for licensed therapists (PT, PTA, or OT, COTA) in Illinois for Saturday attendance and 5.5 continuing education hours for Sunday. The University of Chicago Medical Center has not applied to any other state for therapist CE credit. Participants will need to do this individually through their jurisdiction outside of Illinois.

Educational Grants/Commercial Support

A complete listing of commercial support received will be provided in the conference materials.

Faculty Disclosure

It is the policy of The University of Chicago to ensure balance, independence, objectivity, and scientific rigor in all its individually sponsored or jointly sponsored educational activities. Individuals who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Mechanisms to ensure that presentations are free from commercial bias are in place. Faculty will also disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Full disclosure of this information will be published in the activity materials.

Agenda-at-a-Glance

Saturday, September 19, 2015

7:00 AM—5:00 PM
Exhibits open throughout the day

Combined Track

Breast Track

Lymphedema Track

7:00 AM

Registration / Breakfast / Exhibits | 7:00 AM

7:30 AM

8:00 AM

Welcome & Introduction: Breast & Lymphedema | 8:00 AM

8:30 AM

Panel I: What We Know About The Lymphatic System & Lymphedema

- **Breast Cancer & Lymphedema: Introduction, Incidence | 8:10 AM**
- **Understanding Lymphatic Biology & Physiology | 8:25 AM**
- **Prevention Strategies: Axillary Reverse Mapping | 8:45 AM**
- **Prevention Strategies: Presurgical Evaluations & Therapies | 9:05 AM**
- **Q&A | 9:25 AM**

9:00 AM

9:40 AM

Refreshment Break

10:00 AM

Panel II: Breast Reconstruction & Treatment of Lymphedema

- **Overview of Autologous Breast Reconstruction | 9:55 AM**
- **Overview of Microsurgical Treatment of Lymphedema | 10:10 AM**
- **Combined Breast Reconstruction & Lymph Node Transfer: How Does It Work? | 10:30 AM**

10:30 AM

11:00 AM

Case Discussions | 10:50 AM

11:30 AM

Lunch

Break Out Sessions

12:30 PM

Panel I: Neoadjuvant Chemotherapy

- Medical Oncologist Perspective | 12:30 PM
- Surgical Oncologist Perspective | 12:50 PM
- Q&A | 1:10 PM

Panel I: Evaluation & Nonsurgical Treatment of Lymphedema Patients

- Updates on the American Lymphedema Framework Project Systematic Reviews | 12:30 PM
- CDT of Lymphedema Patients: What's New? | 12:45 PM
- Intermittent Compression Pump: Does it work? | 1:00 PM
- Postsurgical Evaluation of Lymphedema Patients | 1:10 PM
- Discussion/Q&A | 1:25 PM

1:30 PM

Panel II: Radiation Therapy

- State of the Art in Radiation Therapy | 1:25 PM
- Future Horizons in Radiation Therapy | 1:45 PM
- Premastectomy Sentinel Lymph Node | 2:05 PM
- Discussion | 2:25 PM

Panel II: Surgical Treatment of Lymphedema

- Preoperative Evaluation of Lymphedema | 1:40 PM
- The Role of Liposuction for Treatment of Lymphedema | 1:55 PM
- Management of H&N Lymphedema | 2:10 PM
- Discussion/Q&A | 2:25 PM

2:00 PM

2:35 PM

Refreshment Break

3:00 PM

Panel III: Oncoplasty

- Single Stage: Breast Surgeon as Oncoplastic Surgeon | 3:00 PM
- Staged Team Approach | 3:20 PM
- Discussion | 3:40 PM

Panel III: Lymphovenous Bypass

- Lymphaticovenular Bypass: Superficial System | 3:00 PM
- "Octopus" Approach to LV Bypass | 3:20 PM
- Deep Lymphatic System Bypass | 3:40 PM
- Discussion/Q&A | 4:00 PM

3:30 PM

4:00 PM

Break | 4:00 PM

10:00 AM

10:30 AM Refreshment Break

Panel I: Lymph Node Transfer: How & Why I Do It This Way

- Groin Lymph Node Transfer | 8:00 AM
- Submental & Groin Lymph Node Transfer | 8:15 AM
- Supraclavicular Lymph Node Transfer | 8:30 AM
- Thoracodorsal Lymph Node Transfer | 8:45 AM
- Discussion/Q&A | 9:00 AM

Panel I: Making the Jump: Strategies to successfully start Nipple Sparing Mastectomies, direct to implant reconstruction, and using shaped implants

- Surgeon's Perspective | 9:00 AM
- Reconstruction following Surgery | 9:20 AM
- Making the Jump from Smooth Round to Shaped Implants | 9:40 AM
- Tips & Pearls to Optimize Shaped Implant Reconstruction | 9:55 AM
- Discussion | 10:15 AM

Panel II: Complications of Lymph Node Transfer: What They Are and How to Avoid Them

- Groin Lymph Node Transfer | 9:30 AM
- Submental Lymph Node Transfer | 9:40 AM
- Supraclavicular Lymph Node Transfer | 9:50 AM
- Discussion/Q&A | 10:00 AM

11:00 AM	<p>Panel II: The Skinny on Fat: Advances in Fat Grafting</p> <hr/> <ul style="list-style-type: none"> • Biology & Techniques 10:50 AM <hr/> <ul style="list-style-type: none"> • Cancer Considerations 11:20 AM <hr/> <ul style="list-style-type: none"> • Discussion 11:40 AM 	<p>Panel III: New Approaches</p> <hr/> <ul style="list-style-type: none"> • Barcelona Cocktail 10:45 AM <hr/> <ul style="list-style-type: none"> • Chicago Combined Approach 11:05 AM <hr/> <ul style="list-style-type: none"> • Omentum Flap 11:25 AM <hr/> <ul style="list-style-type: none"> • Discussion/Q&A 11:45 AM

Surgery Day, Friday, September 18, 2015

University of Chicago physicians, Julie Park, MD, Nora Jaskowiak, MD, David Chang, MD, and David Song, MD, will perform various procedures live on Friday, September 18, 2015, from 7:00 AM to 5:00 PM.

These procedures include:

- Lymph node transfer & lymphovenous bypass;
- Nipple sparing mastectomy with direct to implant reconstruction;
- Bilateral Upper Gracillis (BUG) flap breast reconstruction.

The CBLS Surgery Day will be held at the Knapp Center for Biomedical Discovery (KCBD) at 900 E. 57th Street, Chicago, Illinois, on The University of Chicago campus. These surgeries will be streamed live for registered guests to view in an auditorium setting and will be moderated by our symposium faculty. Operating rooms will have A/V capabilities allowing operating physicians to communicate directly with registrants for questions and clarification. Breakfast, lunch and refreshments will be provided. Registration for the live-surgery event is not included in the symposium registration fee. Please see live-surgery registration rates below. Auditorium seating is limited.

Early Registration (Before June 30)	\$750
Late Registration (After July 1)	\$1000

We reserve the right to combine or cancel live surgery day at any time due to enrollment. In the unlikely event that the live surgery day is canceled, a refund will be issued for the additional fee only.

Registration

How to Register:

Online: www.ucmcsymposium.com (credit card payments only)

Mail: The University of Chicago
Plastic & Reconstructive Surgery
C/o Eve Kuzma
5841 S. Maryland Ave, MC 6035, Rm J-641
Chicago, IL 60637

Registration Fee

The registration fee includes an electronic syllabus, conference materials, continental breakfasts, lunches, and refreshment breaks. While registration is open until the start of the conference, we do encourage early registration to enable us to provide the best possible service to participants.

Payment Worksheet	Before June 30	After July 1
Physicians	\$400	\$450
Nurse and other Allied Health Professionals	\$100	\$150
Residents & Fellows (with letter of verification)	\$0	\$0
