& Research Network

About the Conference

The educational information presented at the Chicago Breast & Lymphedema Symposium will impact the clinical practice and behavior of the target audience by updating the knowledge of diagnoses and therapies for breast cancer, lymphedema, and breast reconstruction.

Symposium faculty will illustrate concrete examples of successful patient care through coordinated intervention by breaking down individual procedures and analyzing steps in patient care. Faculty will also discuss technique and challenges encountered in various surgical procedures.

Following the Chicago Breast and Lymphedema Symposium, participants will be able to differentiate when to use various breast reconstruction and lymphedema procedures as well as how to facilitate new relationships across disciplines and professions to promote improved patient outcomes. This activity is designed for healthcare professionals dedicated to the diagnosis and treatment of breast cancer and lymphedema. This year, we will also invite general public who have been affected or are interested in breast cancer and/or lymphedema.

TARGET AUDIENCE

This activity is designed for healthcare professionals dedicated to the diagnosis and treatment of breast cancer and lymphedema. This year, we will also invite general public who have been affected or are interested in breast cancer and/or lymphedema.

LEARNING OBJECTIVES

After participating in this conference, participants will be able to:

- Analyze the indications, trends, patient decision-making factors and outcomes for prophylactic and contralateral prophylactic mastectomies
- Identify candidates for nipple sparing mastectomies
- Define guidelines on surgery techniques employed in nipple sparing mastectomies
- Refine techniques for alloplastic and autologous breast reconstruction for nipple sparing mastectomies
- Identify the current options for lymphedema treatment and analyze the pros and cons of various treatment options
- Determine the expected outcomes from treatment of lymphedema based on analyzed case studies and examples

LOCATION

The conference will be held on the historic campus of The University of Chicago at the beautiful Ida Noyes Hall located at 1212 E. 59th Street, Chicago.

ACCREDITATION

PHYSICIAN CREDIT

The University of Chicago Pritzker School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Chicago Pritzker School of Medicine designates this live activity for a maximum of 12.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

PHYSICAL THERAPIST AND OCCUPATIONAL THERAPIST CREDIT

The University of Chicago Medical Center is a licensed continuing education provider with the Illinois Department of Financial and Professional Regulation for Physical Therapy, license # 216-000030. All participants will be provided with a certificate of attendance. This course is approved for 12.25 continuing education hours for licensed therapists (PT, PTA, OT, or COTA) in Illinois. The University of Chicago Medical Center has not applied to any other state for therapist CE credit. Participants will need to do this individually through their jurisdiction outside of Illinois.

OTHER HEALTHCARE PROFESSIONS STATEMENT

Nurses and other healthcare professionals will receive a Certificate of Participation. For information on the applicability and acceptance of certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by the ACCME, please consult your professional licensing board.

FACULTY DISCLOSURE

It is the policy of the University of Chicago to ensure balance, independence, objectivity, and scientific rigor in all its individually sponsored or jointly sponsored educational activities. Individuals who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity.

Mechanisms to ensure that presentations are free from commercial bias are in place. Faculty will also disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Full disclosure of this information will be published in the activity materials.

EDUCATIONAL GRANTS/COMMERCIAL SUPPORT

A complete listing of commercial support received will be provided in the conference materials.
