

Cultural Competence Mini-Series Training Dates

AT THE FOREFRONT
**UChicago
Medicine**

Each cultural competence mini-series session is held on a Tuesday, Wednesday and Thursday over a 2-week period. Each session is 1-hour long with time after for questions and feedback with the facilitators.

Sign up for the days and times that best meet your needs. You can mix and match your sessions and do not always have to take them on the same day.

All sessions are stand-alone sessions meaning they all provide information and skill building. At the same time, we do encourage you to take all 11 sessions.

See the step- by-step registration instructions which are available on the UCM intranet at <http://home.uchospitals.edu/diversity>.
