

Live from The University of Chicago:

# The Chicago Saturday Slide Club

1<sup>st</sup> Annual Series in Anatomic Pathology

## Session 1: Pitfalls in Surgical Pathology

Saturday February 13, 2016

### SERIES DESCRIPTION

Join us at The University of Chicago for a Saturday series of dynamic learning and interactive microscopy sessions designed for practicing surgical pathologists and senior trainees. A two-year curriculum has been developed to address each subspecialty in anatomic pathology. The focus will be updates on existing entities, descriptions of new diagnoses, and pearls to avoid pitfalls. Through a guided microscopic tour, this inaugural session will address challenges in general surgical pathology and the diagnostic gems required to overcome them. To make the discussions more meaningful, cases will be posted on our website prior to the session for preview. They will be presented by faculty and discussed with participants in an interactive manner. Participants are encouraged to bring their own challenging cases to share with the group. References will be provided after the event. Each session is accredited to offer up to 6.5 hours of *AMA PRA Category 1 Credits*<sup>TM</sup>. Additionally, post-discussion questions will be administered for an opportunity to earn SAM credit. Continental breakfast, coffee, lunch, and free parking will be provided, all for a registration fee of \$150 per session (\$50 for trainees). Space at the multiheaded microscope is limited to the first fifteen, so register online at <http://cme.uchicago.edu/FebSlideClub> to reserve your seat!

### FACULTY

Thomas Krausz, MD      Aliya N. Husain, MD  
Nicole A. Cipriani, MD      Kammi J. Henriksen, MD

**Accreditation Statement:** The University of Chicago Pritzker School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

**Credit Designation Statement:** The The University of Chicago Pritzker School of Medicine designates this live activity for a maximum of 6.5 *AMA PRA Category 1 Credits*<sup>TM</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
