

## CLINICAL MEDICAL ETHICS

The MacLean Center for Clinical Medical Ethics at the University of Chicago is the oldest, largest, and most successful program in clinical ethics in the world. Clinical medical ethics is a medical field that addresses the practical, everyday ethical issues that arise in routine encounters among patients, doctors, nurses, allied health workers, and health care institutions. The goal of clinical medical ethics is to improve patient care and outcomes and also to improve clinicians' satisfaction with their work. Since the founding of the MacLean Center in 1984, the Center has trained more than 450 clinical ethics fellows. Current and former MacLean Center fellows and faculty have published more than 200 books. In November 2016, Dr. Siegler and the MacLean Center received the prestigious Meyerhoff Award from the Johns Hopkins Berman Institute of Bioethics. The award states: "The training program established by the MacLean Center has had a greater impact than any other clinical ethics training program in the world."

## ONLINE REGISTRATION

This conference is open to the public and free of charge. Please register early at:

## ACKNOWLEDGMENTS

This conference remembers Dorothy Jean MacLean, who helped create the MacLean Center and was deeply committed to its work. D.J. MacLean believed that education was the best way to improve the world and throughout her life supported many leading educational institutions. The Conference organizers wish to acknowledge and thank Barry and the late Mary Ann MacLean, who for 25 years served as co-chairs of the Center's Advisory Board. We also thank the MacLean family, especially Barry, Duncan and Gillian MacLean, for their continuing support of the Center and this annual conference. We want to thank the MacLean Center's current Chair of the Board, Rachel Kohler, for her guidance, support, and insights as the Center moves forward.

We wish to acknowledge the Center's distinguished Advisory Board and the following individuals for their support of the MacLean Center: the late Lindy Bergman, Kay and the late Matthew Bucksbaum, Martha and Bruce Clinton and the Clinton Family Foundation, Janet and Craig Duchossois, Ann Dudley and Stan Goldblatt, Joan Harris and the Irving Harris Foundation, Connie and Dennis Keller and the Keller Family Foundation, Rachel Kohler and Mark Hoplamazian, Richard and Michelle Parrillo, Carole and Gordan Segal, Caroline Grossinger, Annamette and Henrik Clausen, the late Julius Lewis, Brenda Shapiro and the Shapiro Family Foundation, Bryan Traubert and the Pritzker-Traubert Family Foundation. We especially wish to thank our outstanding faculty as well as all former and current fellows and faculty for making the MacLean Center the leading program in clinical medical ethics in the United States and internationally.

## LOCATION AND PARKING

The Law School is located at 1111 E. 60th Street. Parking is readily available on the Midway on Saturday but may be difficult to find on Friday. Garage parking is available at the University of Chicago Medical Center, located approximately a half mile west of the Law School on Maryland Avenue between 58th Street and 59th Street. The Law School is within walking distance of the 57th and 59th Street Metra stops.

## ACCREDITATION AND CREDIT DESIGN

**PHYSICIAN CREDIT:** The University of Chicago Pritzker School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The University of Chicago Pritzker School of Medicine designates this live activity for a maximum of 14.25 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**SOCIAL WORKER CREDIT:** University of Chicago Medicine is a Registered Social Work Continuing Education Sponsor through the Illinois Department of Financial and Professional Regulation and will offer continuing education units for the 31st Annual MacLean Conference for LSW and LCSW social workers in the state of Illinois. 14.25 social work continuing education units are provided for this live activity.

**OTHER HEALTHCARE PROFESSIONS CREDIT:** Nurses and other healthcare professionals will receive a Certificate of Participation. For information on the applicability and acceptance of Certificates of Participation for educational activities certified for *AMA PRA Category 1 Credit*™ from organizations accredited by the ACCME, please consult your professional licensing board.

This CME certified activity has not requested or received any support or funding from commercial interests. This includes, but is not limited to, pharmaceutical companies and medical device manufacturers. Please reach out to Kimberly Conner at 773-702-1453 with questions.

## DISCLOSURE DECLARATIONS

As a provider accredited by the ACCME, The University of Chicago Pritzker School of Medicine asks everyone who is in a position to control the content of an education activity to disclose all relevant financial relationships with any commercial interest. This includes any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. The ACCME defines "relevant financial relationships" as financial relationships in any amount, occurring within the past 12 months, including financial relationships of a spouse or life partner that could create a conflict of interest. Mechanisms are in place to identify and resolve any potential conflict of interest prior to the start of the activity. Additionally, The University of Chicago Pritzker School of Medicine requires Authors to identify investigational products or off-label uses of products regulated by the US Food and Drug Administration, at first mention and where appropriate in the content.

**Learning objectives:** At the conclusion of this activity, the attendees will be able to do the following: discuss how clinical medical ethics applies broadly to the American and global healthcare systems; explain how to apply clinical medical ethics principles to situations they encounter in their own specialties; and describe how current literature and directives in the field of clinical medical ethics help them to make improved ethics decisions in their practice. This activity has been designed for health care professionals interested in the field of clinical medical ethics.

## CONFERENCE VIDEOS

Lectures from this year's MacLean Conference will be posted on YouTube two to three weeks following the MacLean Conference. Videos of lectures from past MacLean Conferences are also available. MacLean Conference videos can be viewed at:
