Primary care, urgent care, and emergency room physicians, along with other healthcare providers, are often on the front line in the initial care and management of orthopaedic problems. This course is intended to enhance the participants’ knowledge base regarding common orthopaedic problems and increase their confidence in managing these issues in order to improve patient care.

CONTINUING EDUCATION CREDIT:
Accredited through The University of Chicago CME, hours pending for: Physicians, Nurses, Physical Therapists, Occupational Therapists, Athletic Trainers, Physician Assistants and Family Physicians.
