ENROLL

3. Click the title of the module you'd like to start. This will load the activity page.
4. Click the "Complete Activity" tab for completion instructions.

As teachers transition to remote learning during the pandemic, teaching virtually is unfamiliar to many faculty. While Zoom is a common tool to many, the Institution offers many other programs that can enhance learning. This session will provide practical tips for how these tools can improve virtual teaching skills.

5. Click on the "Complete Activity" button at the bottom of the page to begin the module!

Instructions for Participation and Claiming Credit

This online educational activity (enduring material) is designed to be completed within the time designated. To successfully earn credit, participants must complete the activity online during the valid credit period. To receive a certificate, the participant must watch the complete video presentation and correctly answer all questions (100% pass rate) on the post-test. The activity can be accessed by simply clicking "Complete Activity" and watching the video presentation. Once finished, you will be able to proceed to the post-test. Upon successful completion, the participant may claim credit and save or print their certificate.

Physicians, nurses, and social workers are eligible to receive continuing education credit applicable to their profession. All other participants will receive a certificate indicating participation in this *AMA PRA Category 1 Credit*™-approved activity. For information on the applicability and acceptance of certificates of participation for educational activities certified for *AMA PRA Category 1 Credit*™ from organizations accredited by the ACCME, please consult your professional licensing board.

For questions about CME credit or technical issues, please contact the Center for CME at the University of Chicago at cme@bsd.uchicago.edu.

DISCLAIMER The information presented in this activity is for continuing medical education purposes only. The opinions expressed in this educational activity are those of the faculty and do not necessarily represent the views of the University of Chicago Pritzker School of Medicine, the University of Chicago Medicine, or the Department/Section.
