A screenshot of the "Log in to Your UChicago Account" page. The page has a dark background with a faint image of a cityscape. At the top, the text "Log in to Your UChicago Account" is displayed. Below this are two white input fields: the first is labeled "CNetID / UCHADID" and the second is labeled "Password" with a toggle icon on the right. A link for "Forgot your password?" is positioned below the password field. A large red button with the text "LOG IN" is centered on the page. At the bottom, there is a message: "To securely log out, you must restart your browser." and a circular orange icon containing a white question mark.

If you have any problems with your credentials, please contact [UChicago IT Services](#). Our office is unable to retrieve or reset University/Hospital credentials.
