# Updates in Medicine for the Primary Care Practitioner

**Friday November 4, 2016 | 6:30 a.m. – 4:00 p.m.**

**Renaissance Hotel, 933 Skokie Blvd., Northbrook, IL**

Course Directors: Howard Vernof, MD; John Revis, MD; Jay L. Goldstein, MD; and Theodore Mazzone, MD.

## **Learning Objectives:**

- 1) Discuss the epidemiology, clinical manifestations, pathophysiology and treatment of common clinical conditions seen by internists and other primary care providers.
- 2) Develop diagnostic algorithms for well-recognized syndromes commonly seen by primary care physicians.
- 3) Describe diagnostic and therapeutic approaches to common and important diseases.
- 4) Incorporate results from recent clinical trials in the management of patients with common and important medical conditions.
