Updates in Medicine for the Primary Care Practitioner

Friday November 3, 2017

6:30 a.m. – 4:00 p.m.

Renaissance Hotel
933 Skokie Blvd.
Northbrook, IL

Learning Objectives:

- 1) Discuss the epidemiology, clinical manifestations, pathophysiology and treatment of common clinical conditions seen by internists and other primary care providers.
- 2) Develop diagnostic algorithms for well-recognized syndromes commonly seen by primary care physicians.
- 3) Describe diagnostic and therapeutic approaches to common and important diseases.
- 4) Incorporate results from recent clinical trials in the management of patients with common and important medical conditions.

Accreditation and Credit Designation:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Chicago Pritzker School of Medicine and NorthShore University Health System. The University of Chicago is accredited by the ACCME to provide continuing medical education for physicians.

The University of Chicago Pritzker School of Medicine designates this live activity for a maximum of 7 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses and other healthcare professionals will receive a Certificate of Participation. For information on the applicability and acceptance of Certificates of Participation for educational activities certified for *AMA PRA Category 1 Credit*™ from organizations accredited by the ACCME, please consult your professional licensing board.
