26TH ANNUAL PRIMARY CARE ORTHOPAEDICS

A REVIEW OF BASIC AND CURRENT CONCEPTS

A VIRTUAL CONFERENCE

COURSE DIRECTOR Michael J. Lee, MD Professor of Orthopaedic Surgery

COURSE CO-DIRECTOR Sherwin S.W. Ho, MD Professor of Orthopaedic Surgery

"Content was impressively comprehensive."

–Abigail Robinson, PA-C

Continuing Education Credit:

Physicians • Nurses • Physical Therapists • Occupational Therapists Athletic Trainers • Physician Assistants • Family Physicians

VIRTUAL CONFERENCE DESCRIPTION

Primary care, urgent care, and emergency room physicians, along with other healthcare providers, are often on the front line in the initial care and management of orthopaedic problems. This virtual course is intended to enhance the participants' knowledge base regarding common orthopaedic problems and increase their confidence in managing these issues in order to improve patient care.

DEMONSTRATION WORKSHOPS

Demonstration workshops will cover those parts of the orthopaedic physical examination relevant to the morning lectures. As in previous years, there will be demonstration workshops covering joint and bursa injections. We will also conduct a workshop devoted to reading X-rays and MRIs. All demonstration workshops are optional with limited seating available. Additional fees apply.

LEARNING OBJECTIVES

Upon completion of this activity, participants will be better able to:

GENERAL SESSIONS

- Describe how to diagnose common problems in the following orthopaedic areas: trauma, spine, foot and ankle, pediatrics, sports medicine, upper extremity, and adult hip and knee;
- Distinguish patients who should generally be referred to an orthopaedist from those best treated by a primary caregiver;
- Outline how to initiate non-operative management of common orthopaedic conditions;
- Name key elements of the orthopaedic physical examination and how to employ them;
- Select the optimal imaging modalities for common orthopaedic problems;
- Analyze how a team approach to interdisciplinary care of orthopaedic problems can improve patient care.

ELECTIVE DEMONSTRATION WORKSHOPS

- Employ the physical exams of the hand, wrist, shoulder, spine, hip, knee, ankle, and foot to help determine the next steps in a patient's course of treatment;
- Identify techniques to properly administer musculoskeletal injections;
- Interpret orthopaedic x-rays and MRIs to diagnose patient issues;
- Demonstrate how to splint and immobilize the upper and lower extremities;
- Discuss how to overcome acute care challenges surrounding orthopaedic patients' post-surgical care.

TARGET AUDIENCE

The target audience includes Family Medicine, Internal Medicine, Sports Medicine, Pediatrics, Physical Medicine and Rehabilitation, Emergency Medicine, Nurse Practitioners, Physical Therapists, Occupational Therapists, Athletic Trainers, and other Health Professionals interested in the diagnosis and management of common orthopaedic injuries and illnesses.

ACCREDITATION AND CREDIT DESIGNATION

PHYSICIAN CREDIT

The University of Chicago Pritzker School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Chicago Pritzker School of Medicine designates this live activity for a maximum of 24 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AMERICAN ACADEMY OF FAMILY PHYSICIANS CREDIT

This Live activity, 26th Annual Primary Care Orthopaedics, with a beginning date of 06/03/2020, has been reviewed and is acceptable for up to 24 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NURSING CREDIT

University of Chicago Medicine is approved as a provider of nursing continuing professional development by the Ohio Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. (OBN-001-91)

This live activity is designated for a maximum of 24 continuing nursing education units.

PHYSICAL THERAPIST & OCCUPATIONAL THERAPIST CREDIT

The University of Chicago Medical Center is a licensed continuing education provider with the Illinois Department of Financial and Professional Regulation for Physical Therapy, license # 216-000030. All participants will be provided with a certificate of attendance. This course is approved for 24 continuing education hours for licensed therapists (PT, PTA, OT, or COTA) in Illinois. The University of Chicago Medical Center has not applied to any other state for therapist CE credit. Participants will need to do this individually through their jurisdiction outside of Illinois.

ATHLETIC TRAINER CREDIT

The University of Chicago is recognized by the Board of Certification, Inc. to offer

continuing education for Certified Athletic Trainers. This program has been approved for a maximum of 24 hours of Category A continuing education.

AMERICAN BOARD OF INTERNAL MEDICINE MOC PART II CREDIT

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 14.25 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

OTHER HEALTHCARE PROFESSIONS CREDIT

Other healthcare professionals will receive a Certificate of Participation. For information on the applicability and acceptance of Certificates of Participation for educational activities certified for AMA PRA Category 1 Credit[™] from organizations accredited by the ACCME, please consult your professional licensing board.

EDUCATIONAL GRANTS/COMMERCIAL SUPPORT

A complete listing of commercial support received will be provided in the conference materials.

The University of Chicago reserves the right to cancel or postpone this conference due to unforeseen circumstances. In the unlikely event this activity must be cancelled or postponed, the registration fee will be refunded; however, The University of Chicago is not responsible for any related costs, charges, or expenses to participants.

DISCLOSURE DECLARATIONS

It is the policy of the University of Chicago Center for CME to ensure balance, independence, objectivity, and scientific rigor in all its direct or jointly provided educational activities. All individuals participating in University of Chicago CME certified activities who are in a position to control the content of an educational activity are required to disclose all relevant financial relationships with any commercial interest. The ACCME defines commercial interest as any proprietary entity producing, marketing, reselling, distributing, or otherwise participating in or profiting from the distribution, promotion, or sale of health care goods or services consumed by, or used on, patients. All disclosures are made available and communicated to the learner prior to the activity starting, Relevant financial relationships are defined as financial relationships occurring within the past 12 months, including financial relationships of a spouse or life partner, that could create a conflict of interest. Additionally, authors are required to identify investigational products of off-label uses of products regulated by the US Food and Drug Administration, at first mention and where appropriate in the content. In compliance with the ACCME's updated accreditation criteria, presentations. Participants will be asked to evaluate the objectivity of each activity/presentation. All activity directors, planning committee members, speakers and moderators must submit a Disclosure and Attestation form. If the speaker or moderator/panelis participantig in the CME Certified activity fails to submit the required disclosure form prior to the activity as requested, he/she will not be allowed to participate. There are no exceptions to this policy. This paplication is for internal use by the University of Chicago to request certification of a ontinuing Medical Education (CME) to provide econtinuing medical education for physicians. The Center for CME to monitor the integrity of all University of Chicago CME econtexing with conter for CME) p

VIRTUAL CONFERENCE AGENDA

7:00	Welcome and Introduction Sherwin S.W. Ho, MD, and Michael J. Lee, MD					
	SESSION 1: RADIOLOGY IN ORTHOPAEDICS					
7:15	Orthopaedic Radiology G. Scott Stacy, MD					
	SESSION 2: ORTHOPAEDIC TRAUMA					
7:45	Adult Lower Extremity Fractures Jason A. Strelzow, MD					
8:15	Adult Upper Extremity Fractures Daryl Dillman, MD					
8:45	Things Not to Miss Rex Haydon, MD, PhD					
9:15	The Law of Unintended Consequences In Orthopaedic Surgery: The Next Big Opportunity for Us and Our Patients Douglas R. Dirschl, MD					
9:45	Q&A G. Scott Stacy, MD, Jason A. Strelzow, MD, Daryl Dillman, MD, and Rex C. Haydon, MD, PhD					
10:00	BREAK					
	SESSION 3: ADULT SPINE					
10:30	Adult Cervical and Thoracic Spine Michael J. Lee, MD					
11:00	Adult Lumbar Spine Mostafa El Dafrawy, MBBCh					
	SESSION 4: FOOT AND ANKLE					
11:30	Non-operative approaches to the Foot and Ankle Brendon Ross, DO					
12:00 p.m.	Foot and Ankle Injuries in the Athlete and Weekend Warrior Kelly Hynes, MD					
12:30	Q & A Michael J. Lee, MD, Mostafa El Dafrawy, MBBCh, Brendon Ross, DO, and Kelly Hynes, MD					
12:45	BREAK					
	DEMONSTRATION WORKSHOPS:					
1:30 - 2:15	Reading Orthopaedic X-Rays & MRIs G. Scott Stacy, MD					
2:20 - 3:05	Spine Exam Michelle S. Gittler, MD and Mostafa El Dafrawy, MBBCh					
3:10 - 3:55	Foot and Ankle Exam Kelly Hynes, MD and Brendon Ross, DO					
4:00 - 4:45	Large Joint Injection Sherwin S.W. Ho, MD					
4:50 - 5:35	Lower Extremity Splinting Daryl Dillman, MD and Jason A. Strelzow, MD					
5:35	ADJOURN					

WEDNESDAY, OCTOBER 14, 2020

THURSDAY, OCTOBER 15, 2020

	SESSION 5: ADULT HIP AND KNEE					
7:45	Degenerative Knee Problems Sara Wallace, MD, MPH					
8:15	Degenerative Hip Problems Kenneth Chakour, MD					
8:45	Q&A Sara Wallace, MD, MPH, and Kenneth Chakour, MD					
	SESSION 6: ADULT WRIST AND HAND					
9:00	Acute Hand and Wrist Injuries Jennifer Moriatis Wolf, MD					
9:30	Subacute & Chronic Hand/Wrist Problems Jennifer Moriatis Wolf, MD					
10:00	Q&A Jennifer Moriatis Wolf, MD					
10:15	BREAK					
	SESSION 7: THE SHOULDER & ELBOW					
10:45	Common Adult Elbow Problems Megan Conti Mica, MD					
11:15	Common Non-Sports Shoulder Conditions in Adults Lewis Shi, MD					
11:45	SPOTLIGHT LECTURE The Role of U/S in Upper Extremity Conditions Christopher Hicks, MD					
12:15 p.m.	Q & A Lewis Shi, MD, Jennifer Moriatis Wolf, MD, and Christopher Hicks, MD					
12:30	BREAK					
	DEMONSTRATION WORKSHOPS:					
1:30 - 2:15	Shoulder Exam Sherwin S.W. Ho, MD, and Lewis Shi, MD					
2:20 - 3:05	Large Joint Injection Sherwin S.W. Ho, MD, and Lewis Shi, MD					
3:10 - 3:55	Hand/Wrist Exam Jennifer Moriatis Wolf, MD and Megan Conti Mica, MD					
4:00 - 4:45	Small Joint Injection Megan Conti Mica, MD and Christopher Hicks, MD					
4:50 - 5:35	Upper Extremity Splinting Jennifer Moriatis Wolf, MD and Lewis Shi, MD					
5:36	ADJOURN					

VIRTUAL CONFERENCE AGENDA

FRIDAY, OCTOBER 16, 2020

	SESSION 8: SPORTS MEDICINE				
7:15	Athlete's Hip Sherwin S.W. Ho, MD				
7:45	Re-thinking our Approach to PT for the Complex Hip Lindsey Plass, PT, DPT, OCS, FAAOMPT				
8:15	Sports Shoulder Injuries Sherwin S.W. Ho, MD				
8:45	Common Adult Sports Knee Injuries Aravind Athiviraham, MD				
9:15	Pediatric Sports Injuries Holly Benjamin, MD, FACSM				
9:45	Q & A Aravind Athiviraham, MD, Sherwin S.W. Ho, MD, Lindsey Plass, PT, DPT, OCS, FAAOMPT, and Holly Benjamin, MD, FACSM				
10:00	BREAK				
	SESSION 9: PEDIATRIC ORTHOPAEDICS				
10:30	Developmental Disorders of the Hip Robert Bielski, MD				
11:00	Developmental Lower Extremity Problems Christopher M. Sullivan, MD, MPH				
11:30	Pediatric Bone and Joint Infections Robert Bielski, MD				
12:00 p.m.	Pediatric Spinal Deformity and Infections Christopher M. Sullivan, MD, MPH				
12:30	Q & A Robert Bielski, MD and Christopher M. Sullivan, MD, MPH				
12:45	BREAK				
	DEMONSTRATION WORKSHOPS:				
1:45 - 2:30	Knee Exam Aravind Athiviraham, MD and Holly Benjamin, MD, FACSM				
2:35 - 3:20	Hip Exam Sherwin S.W. Ho, MD				
3:25 - 4:10	Rehab Techniques for Patients with FAI Syndrome & Labral Tears Lindsey Plass, PT, DPT, OCS, FAAOMPT				
4:10	CONFERENCE ADJOURNED				

Agenda and speaker selection subject to change.
