Sialendoscopy and Minimally-Invasive Salivary Gland Surgery

Hosted by:

NorthShore Grainger Center for Simulation and Innovation (NCSI) NorthShore University Health System Evanston Hospital

2650 Ridge Ave Evanston IL 60201

Course Directors

Mihir K. Bhayani, MD

Section of Otolaryngology, NorthShore University Health System Clinical Assistant Professor Department of Surgery, University of Chicago Pritzker School of Medicine

Jayant Pinto, MD

Associate Professor Section of Otolaryngology, University of Chicago Hospitals Department of Surgery, University of Chicago Pritzker School of Medicine

Course Faculty

Stephen Y. Lai, MD PhD

Associate Professor
Department of Head and Neck Surgery
Department of Molecular and Cellular Oncology
The University of Texas MD Anderson Cancer
Center

Rohan R. Walvekar, MD

Associate Professor Director, Head & Neck Service MCLANO & Earl K. Long Hospitals Director, Clinical Research & Salivary Endoscopy Service

Department of Otolaryngology - Head & Neck Surgery

Louisiana State University-New Orleans School of Medicine

William Ryan, MD

Assistant Professor Department of Otolaryngology University of California San Francisco

Doris Yip, MD

Department of Radiology NorthShore University HealthSystem

Stephanie Shintani Smith, MD

Assistant Professor
Department of Otolaryngology
Northwestern University

Intent and Overview

This course is designed to educate practitioners on the important aspects of inflammatory salivary gland disease and applications of sialendoscopy. This one-day lecture and skills laboratory experience highlights the basics of salivary endoscopy indications, contra-indications, and complications.

Attendees will be able to use lecture material and practice on fresh cadaver specimens in a simulated operating room experience.

Objectives

At the conclusion of the course, participants should be able to:

- Recognize new concepts in inflammatory salivary disease
- Recognize the role of salivary endoscopy in patients with salivary swelling
- Identify ideal candidates for this salivary endoscopy
- Acquire basic information and skills for setting up a sialendoscopy practice

Who Should Attend?

This CME meeting has been designed for practitioners interested in treatment of diseases of the salivary apparatus. We encourage attendance by practicing otolaryngologists, oral surgeons, residents, and allied health professionals.

Cost:

Physicians and Oral Surgeons \$500.00
Residents/Fellows/Allied Health Professionals \$100.00

Registration

Register online at www.northshore.org/classes and select **Simulation Program** from the drop-down menu. *All major credit cards are accepted*.

Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The University of Chicago Pritzker School of Medicine and NorthShore University HealthSystem. The University of Chicago Pritzker School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation Statement

The University of Chicago Pritzker School of Medicine designates this live activity for a maximum of 6.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses and other healthcare professionals will receive a Certificate of Participation. For information on the applicability and acceptance of Certificates of Participation for educational activities certified for *AMA PRA Category 1 Credit*™ from organizations accredited by the ACCME, please consult your professional licensing board.

Location

The course will be held at the state-of-the art Grainger Center for Simulation and Innovation on the campus of the NorthShore University HealthSystem Evanston Hospital, a teaching affiliate of the University of Chicago Pritzker School of Medicine. Located just north of Chicago, this facility is accredited by the American College of Surgeons for surgical simulation.

Educational Grants / Commercial Support

A complete listing of commercial support received will be provided in the conference materials.

	Course Schedule
7:30 AM	Registration and Continental Breakfast
8:00 AM	Welcome and Introduction to Sialendoscopy - Dr. Bhayani
8:15 AM	Anatomy and Diseases of salivary glands - Dr. Smith
8:30 AM	Indications for salivary endoscopy - Dr. Bhayani
8:45 AM	Radiology of salivary disease - Dr. Yip
9:00 AM	Sialendoscopy-Basic Setup - Dr. Walvekar
9:15 AM	Break
9:45AM	Interventional submandibular sialendoscopy - Dr. Pinto
10:00 AM	Interventional parotid sialendoscopy - Dr. Pinto
10:15 AM	Ultrasound applications in salivary gland surgery - Dr. Ryan
10:30 AM	Hybrid salivary surgery-combined open and endoscopic technique - Dr. Ryan
10:45 AM	RAI-induced sialadenitis - Dr. Lai
11:00 AM	Autoimmune salivary disease - Dr. Smith
11:15 AM	Sialendoscopy in pediatric patients - Dr. Bhayani
11:30 AM	Complications in Sialendoscopy - Dr. Lai
11:45 AM	Billing considerations in sialendoscopy - Dr. Walvekar
12:00 PM	Lunch – Difficult Cases
1:00 PM	Cadaver Lab Introduction-We encourage everyone to bring their surgical loops
1:10 PM	Endoscopic access of the parotid gland with dilation
2:00 PM	Stone extraction and Ultrasound applications
3:00 PM	Floor of mouth dissection for submandibular gland access
4:00 PM	Closing remarks
4:15 PM	Adjourn
	ı

Accreditation Statement

As a provider accredited by the ACCME, The University of Chicago Pritzker School of Medicine requires everyone who is in a position to control the content of an education activity to disclose all relevant financial relationships with any commercial interest. This includes any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. The ACCME defines "relevant financial relationships" as financial relationships in any amount, occurring within the past 12 months, including financial relationships of a spouse or life partner that could create a conflict of interest. Mechanisms are in place to identify and resolve any potential conflict of interest prior to the start of the activity.

Additionally, The University of Chicago Pritzker School of Medicine requires Authors to identify investigational products or off-label uses of products regulated by the US Food and Drug Administration, at first mention and where appropriate in the content.
