INFORMATION

THE UNIVERSITY OF CHICAGO

2022 AYA Oncology Symposium:

SOCIETAL AND INDIVIDUAL DETERMINANTS OF HEALTH IN AYAS WITH CANCER

COURSE DESCRIPTION

This multidisciplinary educational activity convenes leading national oncologists to present and evaluate cutting-edge technology and approaches in the management of adolescent and young adult cancers. The conference focuses on the close cooperation required for effective multidisciplinary management of AYA patients with cancer.

LEARNING OBJECTIVES

At the conclusion of this activity, the learner will be able to:

- ✦ Discuss the impact of social determinants of health on cancer care and outcomes;
- ✦ Identify disparities in access to care and clinical trial enrollment of underrepresented ethnic and racial minority groups;
- ✦ Recognize structural racism in Chicago and its impact on survival for those with acute myeloid leukemia;
- ✦ State how to assess sexual health and body image in AYAs diagnosed with cancer.

TARGET AUDIENCE

This activity is designed for physicians, nurses, and other healthcare professionals dedicated to the treatment of adolescent and young adult cancers.

CONFERENCE LOCATION

The program will be held in the **The Gleacher Center**, 450 Cityfront Plaza Dr, Chicago IL 60611. For directions and parking information, please visit www.gleachercenter.com/about/directions.

SPECIAL NEEDS

The conference fully intends to comply with the legal requirements of the Americans with Disabilities Act. If any participant of this conference is in need of accommodation, please submit written requests to Meeting Achievements at support@meetingachievements.com.

FACULTY DISCLOSURE

As a provider accredited by the ACCME, The University of Chicago Pritzker School of Medicine asks everyone in a position to control the content of an education activity to disclose all financial relationships with any ineligible companies. This includes any entity whose primary business is producing, marketing, selling, reselling, or distributing healthcare products used by or on patients. Financial relationships are relevant if a financial relationship, in any amount, exists between the person in control of content and an ineligible company during the past 24 months, and the content of the education is related to the products of an ineligible company with whom the person has a financial relationship. Mechanisms are in place to identify and mitigate any relevant financial relationships prior to the start of the activity.

Additionally, The University of Chicago Pritzker School of Medicine requires Authors to identify investigational products or off-label uses of products regulated by the US Food and Drug Administration at first mention and where appropriate in the content.
