# CONFERENCE DESCRIPTION

---

**The overall goal of this activity is to provide up-to-date evidence-based education in diagnosis and management of gastrointestinal and liver diseases that will lead to highly trained healthcare professionals able to provide the highest level of patient care. The first day of this course will focus on cutting edge diagnostics and therapeutics in inflammatory bowel disease (IBD). The course will feature discussion of the use and positioning of newly approved IBD therapies and will include multi-disciplinary management of difficult situations in IBD. The second day of the course will address the latest updates in small bowel enteropathies, liver disease and living donor liver transplantation, colon cancer genetics, and advanced endoscopic approaches to colon and pancreatic cancer. The course will also feature GI board review content from the authors of the “Acing the Boards” book series, and keynote addresses from international IBD expert Dr. Shomron Ben-Horin and noted expert in diversity and equity in gastroenterology, Dr. Adjoa Anyane-Yebo.**

## TARGET AUDIENCE

This activity is designed for physicians and other healthcare professionals dedicated to the prevention and treatment of gastrointestinal diseases.

## LEARNING OBJECTIVES

At the conclusion of this activity, participants will be able to:

- *Recognize IBD diagnostics such as video capsule endoscopy, intestinal ultrasound, and radiology exam findings;*
- *Explain the risks and benefits of new IBD medical therapy options and how to apply these options to clinical practice;*
- *Discuss how a multidisciplinary care team can help in IBD management;*
- *Describe small bowel enteropathy diagnosis and management;*
- *Identify surgical approaches to foregut disorders;*
- *State the latest updates in autoimmune hepatitis and cholestatic liver disease;*
- *List endoscopic approaches to pancreatic fluid collections;*
- *Describe endoscopic and surgical approaches for colon polyps and colon cancer.*

## OUTCOMES

At the conclusion of this activity, participants will have acquired critical knowledge to improve their performance in the treatment of patients with gastrointestinal diseases.

## ACCREDITATION AND CREDIT DESIGNATION

### PHYSICIAN CREDIT

The University of Chicago Pritzker School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Chicago Pritzker School of Medicine designates this live activity for a maximum of 14.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### AMERICAN BOARD OF INTERNAL MEDICINE MOC PART II CREDIT

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 14.5 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

### OTHER HEALTHCARE PROFESSIONS CREDIT

Nurses and other healthcare professionals will receive a Certificate of Participation. For information on the applicability and acceptance of Certificates of Participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by the ACCME, please consult your professional licensing board.

### EDUCATIONAL GRANTS/COMMERCIAL SUPPORT

A complete listing of commercial support received will be provided in the conference materials.

### DISCLOSURE DECLARATIONS

As a provider accredited by the ACCME, The University of Chicago Pritzker School of Medicine asks everyone who is in a position to control the content of an education activity to disclose all relevant financial relationships with any commercial interest. This includes any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. The ACCME defines “relevant financial relationships” as financial relationships in any amount, occurring within the past 12 months, including financial relationships of a spouse or life partner that could create a conflict of interest. Mechanisms are in place to identify and resolve any potential conflict of interest prior to the start of the activity.

Additionally, The University of Chicago Pritzker School of Medicine requires Authors to identify investigational products or off-label uses of products regulated by the US Food and Drug Administration at first mention and where appropriate in the content.
