GI Research Foundation and University of Chicago Digestive Diseases Center: A Shared Mission

David T. Rubin, MD, Chief, Section of Gastroenterology, Hepatology and Nutrition; Director, Inflammatory Bowel Disease Center, University of Chicago Medicine; GI Research Foundation Senior Scientific Advisor

Overview of Regenerative Medicine for Digestive Diseases/ Stem Cells and Healing IBD

Presenters:
Jun Huang, PhD
Engineering Anti-IL-17A CAR-T Cells to Treat Inflammatory Bowel Disease

Chris Weber, PhD
Development of Colorectal Organoid Models to Facilitate Patient Care

Advancing the Use of Regenerative Medicine to Treat Digestive Diseases
Moderated by Dr. Cambrian Liu, PhD

Physician Credit: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providershhip of the University of Chicago Pritzker School of Medicine and the GI Research Foundation. The University of Chicago Pritzker School of Medicine is accredited by the ACCME to provide continuing medical education for physicians. The University of Chicago Pritzker School of Medicine designates this live activity for a maximum of 1.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Participant Credit: Other participants will receive a Certificate of Participation. For information on the applicability and acceptance of Certificates of Participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by the ACCME, please consult your professional licensing board.

Research Driving Clinical Advances
Moderated by David Rubin, MD

Presenters
Benjamin McDonald, MD
Changing the Paradigm of Crohn’s Disease Management

Benjamin Shogan, MD
Bile Acids and Colorectal Cancer Recurrence

Bohzi Tian, PhD and Yiping Yu, PhD
Creating the Right Environment for a Healthy Microbiome

David Rubin, MD and Ashley Sidebottom, PhD
The Microbiome Brain Connection – Promoting Mental Health in Those with IBD

Edwin McDonald, MD and Eugene Chang, MD
The Individual Microbiome and Community Health
