

JONAS CENTER CELLULAR THERAPY SYMPOSIUM

SAVE THE DATE!

SEPTEMBER 20, 2024

THE DAVID RUBENSTEIN FORUM
CHICAGO, ILLINOIS

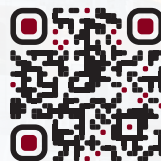

JonasCenterSymposium.com

This conference will highlight basic and translational research advances in the field of cellular therapy for hematologic malignancies, solid tumors, and non-oncologic conditions.

CO-HOSTED BY:

David and Etta Jonas
Center for Cellular
Therapy

TARGET AUDIENCE: This activity is designed for basic and translational researchers, hematology and medical oncology physicians and fellows, immunologists, and healthcare professionals interested in tumor immunology and cellular immunotherapy.
