

## SAVE THE DATE

39<sup>th</sup> Stocker's Aspen Conference on Pediatric Disease

**UPDATE ON PEDIATRIC PATHOLOGY:**

**ASPEN CONFERENCE IN SOUTH DAKOTA**

August 4-8, 2025

K Bar S Lodge, 434 Old Hill City Road

Keystone, SD 57751

### CONFERENCE DESCRIPTION

Continuing in the tradition of pediatric pathology conferences in the Aspen area since 1970, the 2025 lecture-based course is designed for general and pediatric pathologists but will also be of interest to pediatric surgeons and pediatricians who would like to advance their knowledge in various pediatric neoplastic and non-neoplastic diseases. **This will be a hybrid meeting, both in-person and Zoom options.** Handouts and PowerPoint presentations, including case discussions, will be posted on The University of Chicago website. In advance, each in-person participant will receive a microscopic slide set of 24 cases with clinical histories. The cases will be discussed in detail during the conference. In addition, an academic poster session consisting of current topics in pediatric pathology will be presented. Abstracts can be submitted by any participant to Aliya N. Husain, MD at the University of Chicago [aliya.husain@uchospitals.edu](mailto:aliya.husain@uchospitals.edu)
