A screenshot of the login page for The University of Chicago. The page has a white background with a blue border. At the top center is the University of Chicago logo, which includes a red shield with a white cross and the text "THE UNIVERSITY OF CHICAGO" in red. Below the logo is a large, light gray circular placeholder for a profile picture. Underneath the placeholder is the text "Sign In" in a bold, dark gray font. Below this are two input fields: the first is labeled "CNetID/UCMEDID" and the second is labeled "Password". Below the password field is a checkbox labeled "Remember me". At the bottom of the form is a large red button with the text "Sign In" in white. Below the button is a link that says "Need help signing in?" in a small, gray font.

If you have any problems with your credentials, please click “Need help signing in?” at the bottom of the login box. Our office is unable to retrieve or reset University/Hospital credentials.
