Step 1: Click “Create Account” on the right-hand side of our homepage: cme.uchicago.edu

Step 2: Click “Create new visitor account.”

Step 3: Begin profile creation by selecting a username and password. We recommend using your primary e-mail address as your username.
Step 4: Complete your profile information.

Provide the correct information in the “Degree/Licensure” field. This field will determine the credit type you are eligible for (i.e., “MD” for AMA Category 1 Credit™).

The “Optional Professional Information” field is not optional for physicians seeking to claim MOC credit. Diplomate numbers and date of birth are required for reporting MOC credit.
**Mobile numbers are required to claim credit for RSS** (i.e., grand rounds, tumor boards, etc.). Attendance and credit can only be claimed by texting in via your confirmed mobile number.

You will receive a text message with a confirmation code upon clicking “Create New Account.” See step 6 for confirmation instructions.

**Step 5:** Complete the CAPTCHA and click “Create New Account.” Your profile will be created!

**Step 6:** If you provided your mobile number, you need to confirm it. Click the “Edit” and the “Mobile” tab to enter your confirmation code. Click “Confirm Number,” and you’ll be all set!
