

Step 1: Visit cme.uchicago.edu and log in with the credentials that apply to you.

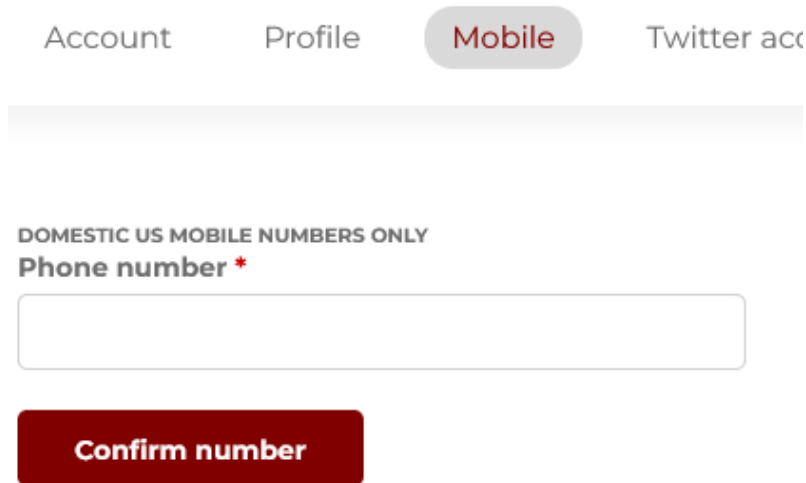

Step 2: Click “My Account” on the top right of the page or from the navigation bar on the homepage.

Step 3: Click “Edit” followed by “Mobile”.

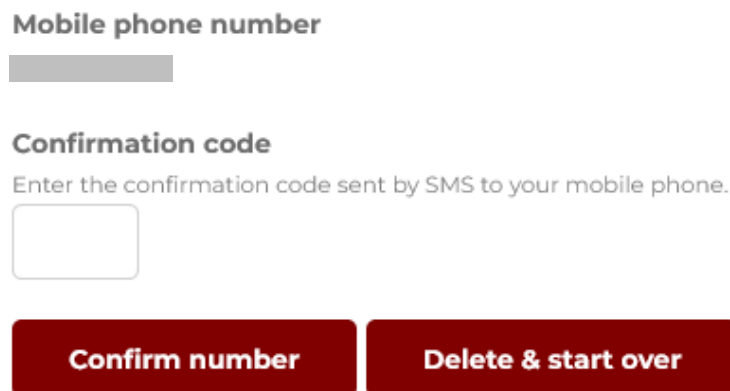

Step 4: Enter a 10-digit mobile phone number, excluding any dashes, parentheses, or spaces. After entering in your number, click “Confirm Number”

The screenshot shows a navigation bar with four tabs: "Account", "Profile", "Mobile" (which is highlighted with a red background and white text), and "Twitter acc". Below the tabs is a light gray rectangular box. Underneath this box, the text "DOMESTIC US MOBILE NUMBERS ONLY" is displayed in a small, gray font. Below that, the label "Phone number *" is shown in a bold, dark gray font. A large, empty white rectangular input field is positioned below the label. At the bottom of the form is a red rectangular button with the white text "Confirm number".

If you already have a phone number listed in this section, but do not have your confirmation code, click “Delete and Start Over” and follow the steps below.

Step 5: After you enter your mobile number and click Confirm Number, you will receive a text message from 773- 245-0068 with a 4-digit confirmation code. Enter the code and click “Confirm Number”.

The screenshot shows a form with two sections. The first section is titled "Mobile phone number" in a bold, dark gray font, followed by a gray rectangular box representing the entered number. The second section is titled "Confirmation code" in a bold, dark gray font, followed by the instruction "Enter the confirmation code sent by SMS to your mobile phone." in a smaller, gray font. Below the instruction is a white rectangular input field. At the bottom of the form are two red rectangular buttons: "Confirm number" on the left and "Delete & start over" on the right, both with white text.

*A “Sleep Time” option is available but you can skip this. The system will **never** text you outside of automatic confirmation codes for confirming new mobile numbers or recording your RSS credit.*
