Step 3: Begin profile creation by selecting a username and password. We recommend using your primary e-mail address as your username.
Step 4: Complete your profile information.

Provide the correct information in the “Degree/Licensure” field. This field will determine the credit type you are eligible for (i.e., “MD” for AMA Category 1 Credit™).

The “Optional Professional Information” field is not optional for physicians seeking to claim MOC credit. Diplomate numbers and date of birth are required for reporting MOC credit.
Mobile numbers are required to claim credit for RSS (i.e., grand rounds, tumor boards, etc.). Attendance and credit can only be claimed by texting in via your confirmed mobile number.

You will receive a text message with a confirmation code upon clicking “Create New Account.” See step 6 for confirmation instructions.

Step 5: Complete the CAPTCHA and click “Create New Account.” Your profile will be created!

Step 6: If you provided your mobile number, you need to confirm it. Click the “Edit” and the “Mobile” tab to enter your confirmation code. Click “Confirm Number,” and you’ll be all set!
