Friday, September 15, 2023

*Bootcamp*

Program Director – Timothy Craig Allen, MD, JD, Chair of Pathology, Oakland University William Beaumont School of Medicine; Chief of Pathology Service Line – Corewell Health East

Event Coordinator – Daniel Arber, MD, Chair of Pathology and Donald West and Mary Elizabeth King Professor of Pathology, University of Chicago Medicine

8:30-9:45 am
Check In and Visit Sustaining Partners & Exhibitors

10:00-11:30 am
Welcome
Daniel Arber, MD / Timothy Allen, MD, JD, and Bob McGonnagle

Panel 1: Town and Gown Update 2023: Biomarkers and Targeted Therapies Across the Spectrum of Clinical Care
Invited Panelists: Judy Largen, Genentech; Jim Richter, MD, Roche; Timothy Allen, MD, JD; Daniel Arber, MD

11:30 am-Noon
Break and Visit Sustaining Partners & Exhibitors

Noon-1:00 pm
Panel 2: Reference Labs in Focus on Biomarker Testing
Invited Panelists: Speakers TBD from Bristol Myers Squibb, Agilent, Thermo Fisher Scientific; Jeremy Segal, MD, PhD; Rebecca Previs, MD, Labcorp Oncology (invited)

1:00-2:00 pm
Lunch with Table Topic Discussion and Visit Sustaining Partners & Exhibitors

2:00-3:00 pm
Panel 3: Winning Technologies Emerging?
Liquid Biopsy and NGS Onsite
Invited Panelists: Speaker TBD from Thermo Fisher Scientific; Dot Guiccione, Genentech; Speaker TBD from Illumina or Grail; Jeremy Segal, MD, PhD, University of Chicago; Sam Caughron, MD, Mawd Pathology (invited)

3:00-4:00 pm
Panel 4: A Focus on Society Patients
Voice of the patient speaker from Lungevity TBA

4:00-5:00 pm
Summation, Q&A, Reflections on the Day
Timothy Allen, MD, JD / Daniel Arber, MD

All panels are designed to be fully interactive with attendees. Panel members, who may be subject to change, will offer only brief remarks, followed by questions and discussion. All tumor types, practice settings, biomarkers and technologies will be addressed in any and all panel sessions as they arise.

Note: All panels and topics will remain unchanged. Naturally, panelists may change but the representative nature of labs, pathologists, diagnostic companies, and pharmaceutical companies will remain in balance. The aim, again, is full and free discussion and interaction with all panelists and attendees.

Visit https://cme.uchicago.edu/CBC2023 for more information and to register for CBC VI
Saturday, September 16, 2023

Program Director – Timothy Craig Allen, MD, JD
Chair of Pathology, Oakland University William Beaumont School of Medicine
Chief of Pathology Service Line – Corewell Health East

Event Coordinator – Daniel Arber, MD
Chair of Pathology and
Donald West and Mary Elizabeth King Professor of Pathology
University of Chicago Medicine

7:00-8:00 Check In, Breakfast and Visit Sustaining Partners & Exhibitors

8:00-8:30 Keynote Address: Biomarkers in Myeloid Neoplasms
Daniel Arber, MD

8:30-9:00 Biomarker Testing in Small Specimens (biopsy vs. FNA)
Sinchita Roy Chowduri, MD, PhD

9:00-9:30 Predictive Biomarkers in Malignant Gynecologic Neoplasms
Ricardo Lastra, MD

9:30-10:00 Biomarker Updates in Urothelial Carcinoma
Donna Hansel, MD, PhD

10:00-10:30 Break and Visit Sustaining Partners & Exhibitors

10:30-11:00 The Second Revision of the Lung Cancer Molecular Testing Guidelines
Neal Lindeman, MD
11:00-11:30 Molecular and Genomic Biomarkers of Gastrointestinal Cancers for Precision Therapies
Antonia Sepulveda, MD, PhD

11:30-12:00 Predictive Biomarkers for Immunotherapy in Lung Cancer
Mari Mino-Kenudson, MD

12:00- 12:30 Panel Discussion

12:30-1:30 Lunch and Visit Sustaining Partners & Exhibitors

1:30 -2:00 Biomarkers in Colorectal Carcinoma: What's New in 2023?
Rhonda Yantiss, MD

2:00 – 2:30 Biomarker Considerations for Neoadjuvant Therapy
Tricia Cottrell, MD, PhD

2:30-3:00 Biomarkers in Breast Cancer
Deborah Dillon, MD, PhD

3:00-3:30 Break and Visit Sustaining Partners & Exhibitors

3:30-4:00 The Expanding Role of Germline Sequencing for Cancer Patient Care
Jonathan Nowak, MD, PhD

4:00-4:30 Panel Discussion/Day 1 Wrap Up

4:30 Adjourn

11:30-12:00 Molecular Aspects of Mesothelioma
Lucian Chirieac, MD

12:00-12:30 Biomarkers in B-cell Lymphoma
Genevieve (Eve) Crane, MD, PhD

12:30 Adjourn - 30 minutes have been allotted for the completion of the course evaluation. Please complete the evaluation/claim your credit by Wednesday, December 13, 2023. The evaluation time is incorporated into the last session of the day.
Continuing Educational Credit

Physician Credit

The University of Chicago Pritzker School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Chicago Pritzker School of Medicine designates this live activity for a maximum of 11 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Pathology Lifelong Learning (CME) Credit

This activity has been registered to offer credit in the American Board of Pathology’s Continuing Certification program. Successful completion of this activity, which includes participation in the evaluation component, enables the participant to earn up to 11 CME credits. Participants will earn credits equivalent to the amount of AMA PRA Category 1 Credits™ claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABPath Lifelong Learning (CME) credit.

Other Health Professional Credit

Other healthcare professionals will receive a Certificate of Participation. For information on the applicability and acceptance of Certificates of Participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by the ACCME, please consult your professional licensing.
