

CE/CME Worksheet

Use this worksheet to determine the number of CE/CME you earned through your attendance at monthly webinars, MLC sessions and the professional seminar series for social workers and chaplains.

Circle the CME/CE credits for the events you attended and determine the total earned. Write down your earned CME/CE total. You will need this number when you access your CME/CE certificate on the University of Chicago CME website. Certificates will be available after you submit a post-course skills assessment and program evaluation. Separate instructions will be provided.
